The information provided in the summary will lay the foundation for you to react and respond to (analyze) the political issue. **Be sure to properly cite within the text (according to MLA style) any information that you obtained from one of your sources. Citations must be provided, even for paraphrased information.**
- Present your perspective on the political issue. Think critically about the topic discussed in the articles and clearly express your thoughts about it in writing. Consider eight standards for critical thinking (Paul and Elder, 2103): clarity, accuracy, precision,
