Curriculum Mapping Esl:

Collaboration and Co-Teaching Andrea Honigsfeld, Maria G. Dove, 2010-08-10 Help ELLs achieve success with an integrated collaborative program Teacher collaboration and co teaching are proven strategies for helping students with diverse needs achieve academically Now this practical resource provides a step by step guide to making collaboration and co teaching work for general education teachers and English as a second language ESL specialists to better serve the needs of English language learners ELLs The authors address the fundamental questions of collaboration and co teaching examine how a collaborative program helps ELLs learn content while meeting English language development goals and offer information on school leaders roles in facilitating collaboration schoolwide Featuring six in depth case studies this guide helps educators Understand the benefits and challenges of collaborative service delivery Choose from a range of strategies and configurations from informal planning and collaboration to a fully developed co teaching partnership Use templates planning guides and other practical tools to put collaboration into practice Evaluate the strategies success using the guidelines self assessments and questionnaires included Collaboration and Co Teaching helps ESL ELL and general education teachers combine their expertise to provide better support for their ELLs

Co-Planning Andrea Honigsfeld, Maria G. Dove, 2021-09-26 Pool your collective wisdom in support of your English learners English Learners ELs and multilingual learners MLs have double the work of their English speaking peers as they are required to master language and content simultaneously To support this dynamic academic and language development process all teachers need to have an understanding of language acquisition and EL ML specific methodologies along with offering social emotional support to ELs MLs and work in tandem with each other Bestselling authors Andrea Honigsfeld and Maria G Dove have returned with this new resource that complements and expands on their previous titles on co teaching and collaboration by addressing collaborative planning in greater depth Co planning is positioned as the first step toward integrative language and content instruction as regular and purposeful collaboration ensures that ELs MLs have access to core content Key features include Practical step by step guidance to starting and sustaining collaborative planning for integrated language literacy and social emotional development An array of checklists templates and protocols for immediate implementation Snapshots from the Field provide real life examples of co planning in action Beautiful full color design with original sketch notes to bring concepts to life QR codes that link to author interviews elaborating on key ideas This substantial guide will assist novice and seasoned educators alike in their move away from isolated practices and help them engage in collaborative planning and professional dialogue about asset based best practices for ELs MLs
