Chilton's Guide to VCR Repair and Maintenance Gene B. Williams, Tommy Kay, 1985-09 The Video Camcorder Handbook Marjorie Costello, Michael Heiss, 1987 For those who need help up front in making the right buying decision The Video Camcorder Handbook provides valuable shopping tips about the most popular models and leading brands of camcorders currently available 150 photographs Handbook on Hedonic Indexes and Quality Adjustments in Price Indexes [ack E. Triplett, 2006-10-05 This handbook compares and contrasts two methods employed in price indexes to adjust for quality change conventional quality adjustment methods and hedonic price indexes. The latter are often used in price indexes for information and communication technology ICT products in several OECD countries as well as for measuring prices for some other goods and services notably housing The handbook aims to contribute to a better understanding of the merits and shortcomings of these methods and to provide an analytic basis for choosing among them A Practical Guide to Price Index and Hedonic Techniques Ana M. Aizcorbe, 2014-06-12 This book provides an accessible guide to price index and hedonic techniques with a focus on how to best apply these techniques and interpret the resulting measures One goal of this book is to provide first hand experience at constructing these measures with guidance on practical issues such as what the ideal data would look like and how best to construct these measures when the data are less than ideal A related objective is to fill the wide gulf between the necessarily simplistic elementary treatments in textbooks and the very complex discussions found in the theoretical and empirical measurement literature Here the theoretical results are summarized in an intuitive way and their numerical importance is illustrated using data and results from existing studies Finally while the aim of much of the existing literature is to better understand official price indexes like the Consumer Price Index the emphasis here is more practical to provide the needed tools for individuals to apply these techniques on their own As new datasets become increasingly accessible tools like these will be needed to obtain summary price measures Indeed these techniques have been applied for years in antitrust cases that involve pricing where economic experts typically have access to large granular **Kiplinger's Personal Finance**, 1980-10 The most trustworthy source of information available today on savings datasets and investments taxes money management home ownership and many other personal finance topics Video Production--the Professional Way Carl Caiati, 1985 Consumer Price Index Revision Reference Checklists ,1996
