the story of how Cook's Illustrated has changed American home cooking through its signature blend of rigorous testing, culinary research, science and unorthodox approaches to developing foolproof recipes. As fans know, a big part of what makes the magazine so trustworthy and enjoyable to read is the essays that accompany each recipe, tracing from initial brainstorming to aha moments and the occasional catastrophe to final success. Rarely republished since they first appeared, these feature-length stories celebrate the art of food writing and the extensive work that goes into every recipe. In addition to the recipes, essays and helpful sidebars, this book also features the trademark black and white illustrations that have become synonymous with Cook's Illustrated, creative use of the beloved front and back cover art, and a new addition: gorgeous full-color photographs of each dish. Featured recipes include Perfect corn on the cob that never gets boiled, ultracreamy tomato soup that's completely dairy-free, the fastest roast chicken recipe, oven-grilled London broil, and ingenious low-key approaches to traditionally high-fuss recipes such as risotto, French fries, pie crust, and many more. *The Homestead*, 1917 **Cheap**

Biscuits and Cakes for Factory and Bakehouse J. White, 1908 *Seasonal Baking* Fiona Cairns, 2013-09-12 Seasonal baking from the Royal cake maker. Fiona Cairns knows how important the seasons are when creating delicious cakes. Not only are ingredients at their very best and cheapest, but it also makes sense to be in tune with the changing colours, moods, and celebrations of the seasons. In the spring, why not try baking early rhubarb and vanilla custard cupcakes? On a hot summer's day, enjoy a mango pavlova, and on a cold winter's afternoon, curl up by the fireside and share a slice of chocolate and cardamom tart. From edible gifts to party and celebration cakes, plus decorating ideas and drink suggestions, *SEASONAL BAKING* is full of inspiration whatever the time of year or occasion. Fiona Cairns supplies cakes for Waitrose, Selfridges, Harrods, Sainsbury's, and Bon Marche Paris, and was the official cake designer for Prince William and Kate Middleton's wedding. Many of the cakes in this book are accompanied by decorating ideas as well as seasonal drink suggestions. Whether you find yourself in the kitchen wondering what to bake for the simple pleasure of it, to share or give to a friend, or maybe bake for a party, large or small, whatever the time of year or occasion, you will find plenty of ideas.
