

VIGILANCE MANUAL

(updated 2021)

CENTRAL VIGILANCE COMMISSION

Cvc Manual Vigilance

S Srinivasan

Cvc Manual Vigilance:

Annual Report India. Ministry of Power, 2011 *Employee's Safety & Welfare Measures* Dr Ramesh Chand, 2021-06-01
The Book namely *The Effectiveness of Employee s Safety and Welfare Measures in Public Sector Units* with reference to Hindustan Shipyard Limited Visakhapatnam contains the ideas regarding attitude motivation safety and welfare of employees working in the Shipyard and in other Public Sector Units in India As we know that attitude of an employee is directly related to his performance at work place in any organization The quality based production depends upon employee s good attitude towards work Employee s morale plays an important role to deviate his attitude Morale comes from effectively implementation of organizational welfare schemes Occupational health safety and welfare measures advance training medical facilities at work place and for family welfare schemes transport facility and other recreational facilities Therefore this book is an effort to study the various safety and welfare measures provided by a defence organization and implemented by a public sector unit to its employees as provisions of Factory Act 1948 **Know Your Rights** S Srinivasan, 2021-04-09
The ambiguous state of our legal structure and its formats leave the common man with no grasp of the basics of the system in which he lives Treatises and documents are boundless but yet so vague and so verbose that one has neither the time to read it nor to even glance it Over the years it is greatly felt that a standing reference material which can help abank worker to be aware of this rights as bank employee is necessary Hence this effort on the part of mine to give you a summary of your rights as a bank employee edited from the available sources This document is exhaustive and gives the most correct picture of our rights This book is for all The objectives of this book are to enable activists to understand important concepts in domestic enquiries with practical illustrations and to get insightful understanding of changing environment of service conditions followed in banks and other sectors it is hoped that books will be useful and will be a tool for effective defence assistant in days to come Every line present day s employees in banks are now referring as a service condition and benefits has got an historical struggle and historical negotiation Remember the task of the union to shape your life career and future was never an easy way or path These benefits are hard earned rights in tough times Now you hold the responsibility to preserve protect and improve them Let thousand hands join and build our movement strong Success is not a destination but it is a journey
