Deloitte's 2014 Global Outsourcing and Insourcing survey results

Results are in for Deloitte's 2014 Global Outsourcing and Insourcing survey. We had strong participation from both large and small organizations, representation from 22 industry sectors, and geographical diversity, with respondents from 30 countries.

The results indicate that while outsourcing as a business practice continues to see growth across all functions surveyed, there are technological and political factors that can be expected to increase or reduce the pace of growth.

Read Deloitte's 2014 Global Shared Services survey results, to explore the notable findings of the survey results on topics including regulation, geography, technology and vendor management.
