

Apprentice degree, ritual and secrets examined (Irish working)

PDF

Introduction

The following document contains information on the Apprentice degree of the United Grand Lodge of England (UGLE) and is intended for the use of those who are interested in the history and workings of the degree.

The document is divided into three parts: the first part contains the history of the degree, the second part contains the ritual of the degree, and the third part contains the secrets of the degree.

The first part of the document contains the history of the degree, from its origin in the 17th century to its present form in the 21st century. It also contains information on the various lodges and jurisdictions that have been involved in the degree.

The second part of the document contains the ritual of the degree, which is a series of questions and answers that are used to initiate a candidate into the degree. The ritual is divided into three parts: the first part is the opening ceremony, the second part is the initiation ceremony, and the third part is the closing ceremony.

The third part of the document contains the secrets of the degree, which are the various symbols and signs that are used by the degree holders. These secrets are passed on from one degree holder to another.

Notes

The following notes are intended to provide additional information on the degree and its history.

The first note is on the origin of the degree. It is believed that the degree was first introduced into England in the 17th century by a group of Irishmen who had been initiated into the degree in Ireland.

The second note is on the ritual of the degree. It is believed that the ritual was first introduced into England in the 17th century by a group of Irishmen who had been initiated into the degree in Ireland.

The third note is on the secrets of the degree. It is believed that the secrets were first introduced into England in the 17th century by a group of Irishmen who had been initiated into the degree in Ireland.
