Are you looking for effective systems for your dental office With this book you will be able to train your employees and
provide your office with systems that can be customized This book which comes from the empowering Dental Maverick
training program is the essential systems training manual for your dental office This is the exact manual that general dentist
Dr Tuan Pham uses in his office to train his employees and is written in simple terms so that every employee from front desk
to clinical staff can be easily trained and therefore establish a calibrated baseline of knowledge Calibration of all staff will
lead to similar explanation of needed treatment as a patient flows through your office and therefore increase your treatment
plan acceptances This book starts with the basic explanations of procedures and continues with detailed instructions for
insurance verification and unscheduled treatment recall follow up protocol The following topics are covered 1 Explanations of
types of x rays with codes and why they are taken and needed 2 Office flow with soft tissue perio management program and
how to implement 3 Summary of dental procedures including codes and what and why such treatment are needed These are
explained in simple terms so that everyone can effectively relay the importance to patients 4 Co diagnosis forms for patient
flow throughout the office These forms help each staff member know what needs to be done and to quickly relay likely
treatment to doctors 5 Insurance verification forms and instructions of why these codes are requested 6 Unscheduled recall
follow up system and steps on how to integrate into practice management software 7 Emails to use with follow up systems 8
