Bittersweet A Novel:

Bittersweet Miranda Beverly-Whittemore, 2014-05-13 Suspenseful and cinematic New York Times bestseller *Bittersweet* exposes the gothic underbelly of an idyllic world of privilege and an outsider's hunger to belong. On scholarship at a prestigious East Coast college, ordinary Mabel Dagmar is surprised to befriend her roommate, the beautiful, wild, blue-blooded Genevra Winslow. Ev invites Mabel to spend the summer at *Bittersweet*, her cottage on the Vermont estate where her family has been holding court for more than a century. Mabel falls in love with midnight skinny dipping, the wet dog smell that lingers near the yachts, and the moneyed laughter that carries across the still lake while fireworks burst overhead. Before she knows it, she has everything she's ever wanted: friendship, a boyfriend, access to wealth, and most of all, for the first time in her life, the sense that she belongs. But as Mabel becomes an insider, a terrible discovery leads to shocking violence and reveals what the Winslows may have done to keep their power intact and what they might do to anyone who threatens them. Mabel must choose: either expose the ugliness surrounding her and face expulsion from paradise, or keep the family's dark secrets and make Ev's world her own.

Five years pass, trapped in a relationship that is stretched across continents, raising a child alone, and now confronted by a best friend's irreparable choice. Hope must find the strength to search for love, even if that means leaving all she knows behind. Convinced that moving to Africa to be with the father of her child is right, Hope steps into the questionable refuge of Adam's arms, but after suffering another disappointment, she decides to follow a different love. Traveling, Francois, Henry, and Hope become friends over a cup of coffee and pastries in the streets of Paris. The father of her child claims her weekdays, and Francois her nights and weekends. When trouble threatens to completely destroy the life Hope's built, who will save her? Adam, the father of her child, and profligate ladies' man, Or Francois, the yet-untested lover. Savor the romance and heartache of *Bittersweet*, a silky saga sure to leave a good taste in your mouth.

Bittersweet Danielle Steel, 2009-02-25 In *Bittersweet*, Danielle Steel has written a novel for our times, a story of choices and new beginnings. India Taylor lived in a world of manicured lawns and neatly maintained calendars, a merry-go-round of Little League piano lessons and Cape Cod summer vacations. With four wonderful children, India believed in commitment and sacrifice, just as she believed in Doug, the man she married 17 years before. For India, this was the promise she made: the life she had chosen, not the award-winning career as a photojournalist she once had. It was a choice she had never truly regretted. Until she begins to regret it with all her heart, India couldn't pinpoint the exact moment. Perhaps it was the last time her agent called, begging her to take an assignment. Doug insisted she turn down. Or perhaps it was when Doug told her he thought of her as a companion and someone to take care of their kids, and not much

more At that moment the price of the sacrifices she d made began to seem high And then she met Paul Ward A Wall Street tycoon married to a bestselling author Paul lived life on his own terms traveling the world on his own yacht India hadn t planned to become Paul s friend Anything more was unthinkable Yet talking to Paul was so easy India could share her dreams with him and offer comfort when Paul suffers a heartbreak of his own And while Paul urges India to reclaim her career Doug is adamantly against it determined to keep her tied to the home But with Paul s encouragement India slowly painfully begins to break free and find herself again Rediscovering her creativity and her courage India uses Paul like a beacon on the horizon sharing intimate phone conversations with a man half a world away a man who never stops reminding her of all that is possible for her India is changing and nothing in her life will ever be the same again Not her marriage Not her friendship with Paul And when India is presented with an irresistible opportunity she makes a heart wrenching decision leaving a safe familiar place and the people she loves there to move into the terror of the unknown *Bittersweet* is her story a story of freedom of having dreams and making choices to find them With unerring insight Danielle Steel has created a moving portrait of a woman who dares to embark on a new adventure and the man who helps her get there Her painful exhilarating journey inspires us all

Bittersweet Manor Tory McCagg, 2014-05-06 After a four-month estrangement from her family, thirty-two-year-old Emma Michaels visits The Harbor View Assisted Living Home to tell her grandmother Gussie that she has made a decision: she's going to sell the family property, her inheritance. Sitting on the dock of Poquatuck Village, Connecticut, looking across the harbor to their family's longtime home, the two women debate over Emma's choice, and their conversation lays the framework for the book, which flows over the decades all the way back to Gussie's youth and marriage, then forward through the lives of her three children: Auggie, Livy, and Alyssa, whose hopes and talents are warped by their mother's influence and disappointed expectations. Expectations passed down through the generations. Subtle. Unspoken. Implacable. As Emma and Gussie remember the choices and dynamics that have produced the complicated tapestry that is their family's history, Emma makes a number of surprising discoveries about her loved ones and herself, and she prepares to do what no one else in her family has dared: let go of the past to make room for the future, though doing so will destroy the thing her grandmother holds most dear.
