heavily illustrated and highly designed tribute to Los Angeles architect Pierre Koenig a key figure of the Los Angeles
Modernist movement In this remarkable and gorgeously illustrated book Neil Jackson presents a vibrant profile of the Los
Angeles architect Pierre Koenig who Time magazine said lived long enough to become cool twice From the influences of
Koenig s youth in San Francisco and his military service during World War II to the Case Study Houses and his later award
laden years Jackson s study plots the evolution of Koenig s oeuvre against the backdrop of Los Angeles a city that both
shaped and was shaped by his architecture The book is anchored by Jackson s exciting discoveries in Koenig s archive at the
Getty Research Institute Drawings photographs diaries letters lecture notes building contracts and university projects many
of which are published for the first time provide an expanded understanding of Koenig and additional context for his
architectural achievements An examination of Koenig s Case Study Houses shows how his often single minded and pragmatic
approach to domestic architecture recognized the advantages of production housing and presciently embraced sustainable
ecologically responsible design A new account of the Chemehuevi housing project in Havasu Lake California demonstrates
the special role that learning and teaching played in the development of his architecture Over his fifty year career Koenig not
only designed iconic houses but also directed their restoration and curated their legacy ensuring that his work could be seen
