Biust Botswana Courses Guide:

Quality Assurance in Higher Education in Eastern and Southern Africa Peter Neema-Abooki, 2021-08-23 This book examines the critical aspect of quality assurance maintenance of competitive standards in African higher education It explores both the micro and macro levels of continental African higher education regulatory authorities and analyses different institutional regional and national practices for moving towards continental quality assurance approaches Contributed to by scholars across Eastern and Southern Africa the book considers conceptual practical epistemological and policy dimensions of quality and quality assurance especially in relation to higher education in Africa It therefore draws on research and local expertise to open up debate about how to assure and enhance the quality of higher education providing a comprehensive review of eight countries and considers societal challenges It aims to satisfy the need of more thoughtful and critical works on African education as produced by African educators The uniqueness of this book lies in integrating both the theoretical and practical dimensions of quality to devise appropriate strategies for ensuring quality and standards in higher education in continental Africa and beyond This authoritative book advocates for a timely discussion around the provision of good quality higher education and research in African universities and will be of great interest to academics policy makers researchers and post graduate students in the fields of higher education comparative education and African studies

Developing and Supporting Multiculturalism and Leadership Development Enakshi Sengupta, Patrick Blessinger, Mandla Makhanya, 2020-09-23 The modern notion of humanism centres on the core qualities in all humans agency dignity and development primarily concerned with addressing contemporary human needs concerns and problems This book has an interdisciplinary focus on the development of human capacity at all levels with the view that higher education is well suited for all

Lifelong Learning for Poverty Eradication Wapula N. Raditloane, Morgen Chawawa, 2015-02-23 This book illustrates the meaning and scope of lifelong learning and different types of poverty reduction programs prevalent generally in the African context and particularly in selected communities in Botswana Lifelong learning is important for all stakeholders in poverty reduction to develop a better understanding of the scope and extent of poverty so that they can make informed decisions on best ways of tackling poverty The book succinctly showcases community development and engagement initiatives and experiences from selected African universities and how the interaction of the universities and their respective communities resulted in a major transformation in the lives of poor families through exposure to some engagement strategies that effectively gave them a better future in their fight against poverty This book develops in the reader a better understanding of the dynamics and dilemma of poverty and its negative effects on individuals and communities But it answers the plight of the poor by equipping them with effective and practical tools to transform their lives and take full control of their destiny Provides a conceptual understanding of lifelong learning Describes practical aspects and indicators of poverty and how it requires tackling through a multi sectoral approach Focuses on poverty reduction in all fronts including

development of an entrepreneurship mind set **African Science Granting Councils** Teboho Moja, Okunade Samuel, 2024-01-23 This book delves into the research policy nexus as it relates to development in Africa It does so by examining four country cases Botswana Cote d'Ivoire Kenya and Zambia while referring to South Africa as a possible exemplar case The book reaffirms that the majority of governments in Africa spend less than one per cent of their GDP on research and development R D despite the commitment to raise their research funding levels contained in the Lagos Plan of Action 1980 Hence reliance on external funding for research persists on the continent To manage research engagements and public funds Science Granting Councils SGCs have been established These institutions are held accountable for how public funds are spent and how the research they fund contributes to the advancement of society To date the SGCs and researchers have demonstrated in various ways how funded research contributes to the advancement of society However there appear to be differences in opinion amongst key stakeholders in terms of what constitutes research priorities as well as expectations in terms of the returns on research investments made This book brings to the fore the importance of research and its outcome on societal development and reveals the stake that African governments hold in the process The book encourages African governments to show greater commitment to providing funding for research on the continent This is critical if governments are to assume a lead role in the continent's development agenda It would also set the stage for partnerships with other stakeholders including industry and funding organisations Researchers are also encouraged to work closely with the SGCs to ensure the valorisation of research products for societal benefit This has a potential to unlock more funding for research in Africa which in turn would drive the development of the continent Information Services for a Sustainable Society

Madeleine C. Fombad, Collence Takaingenhamo Chisita, Omwoyo Bosire Onyancha, Mabel K. Minishi-Majanja, 2023-07-24 The publication seeks to establish how information professionals are providing information services in a sustainable society in an era of information disorder It also provides the strategic direction to strengthen the global voice of libraries inspiring and enhancing professional practice as well as enhancing international cooperation and collaboration among LIS educators and practitioners The contents is divided according to the following key sub themes that resonate with the title as outlined below Library and information services in the information age Data and records in an era of information disorder Archives data curation and preservation in the digital era Data science analytics and visualization Information ethics in the digital era Information deluge in the digital era Information and knowledge management Fourth Industrial revolution The highlighted themes explore critical issues relating to how libraries archives and related institutions are responding to the seismic shifts in the information landscape amidst a myriad of challenges and opportunities The sub themes bring together a tapestry of articles that explore the status experiences and future prospects of the dynamic library and information science practice
