

BJMP Comprehensive Operations Manual 2015 Edition

Whereas, Republic Act No. 6975, otherwise known as the "Department of the Interior and Local Government Act of 1990," provides that the task of jail management and penology shall be the responsibility of the Bureau of Jail Management and Penology (BJMP). As an institution, and pursuant to the mandate earlier mentioned, the BJMP has defined through consultative and participatory strategic planning sessions its vision, mission, powers, functions, values, objectives and principles;

Whereas, in view of the number of challenges brought about by time and circumstances having particular bearing on the bureau's operations, it behooves the BJMP to revisit its existing Comprehensive Operations Manual make it more responsive to the bureau's mandate of "Safekeeping and Development" of all district, city and municipal jail inmates;

Whereas, it has become imperative to ensure uniformity in the discharge of functions by all BJMP personnel concerned; to ensure uniformity in the implementation BJMP policies, rules and regulations; and to ensure uniformity in the treatment of inmates in BJMP-manned jails including those over which BJMP may exercise operational jurisdiction, by virtue of a Memorandum of Agreement (MOA);

NOW, THEREFORE, pursuant to Book IV of the Administrative Code of 1987, this second edition of BJMP Comprehensive Operations Manual is hereby adopted for observance, and guidance relative to ensuring humane safekeeping and development of inmates.

RULE I

GENERAL PROVISIONS

Section 1. MANDATE - The Bureau of Jail Management and Penology was created on January 2, 1991 pursuant to Republic Act 6975, replacing its forerunner, the Jail Management and Penology Service of the defunct Philippine Constabulary Integrated National Police. The BJMP exercises administrative and operational jurisdiction over all district, city and municipal jails. It is a line bureau of the Department of the Interior and Local Government (DILG).

Section 2. VISION - The BJMP envisions itself as a dynamic institution highly regarded for its sustained humane safekeeping and development of inmates.

Section 3. MISSION - The Bureau aims to enhance public safety by providing humane safekeeping and development of inmates in all district, city and municipal jails.

Section 4. POWERS -The BJMP exercises supervision and control over all district, city and municipal jails. As such, it shall ensure the establishment of secure, clean, adequately equipped sanitary facilities; and ensure the provision of quality services for the custody, safekeeping, rehabilitation and development of

district, city and municipal inmates, any fugitive from justice, or person detained awaiting or undergoing investigation or trial and/or transfer to the National Penitentiary, and/or violent mentally ill person who endangers him/herself or the safety of others as certified by the proper medical or health officer, pending transfer to a mental institution.

The Embodied State Ana Aliverti, Henrique Carvalho, Anastasia Chamberlen, Simon Tawfic, 2025-12-22 This edited collection advances a reconceptualisation of state power through emotions Methodologically it rethinks the study of the state from the bottom up by seeking contributions that engage with performances and enactments of state power at the ground level by frontline staff in direct contact with marginalised populations and those that reflect on encounters with symbols and practices of state power Conceptually it advances a new theory of state power which places values and affects at the heart of its analysis In doing so it seeks to make a crucial intellectual intervention in the study of the people images and processes involved in the governance of social marginality in various institutional settings criminal justice immigration and asylum bureaucracies the welfare system the care sector etc to explore how emotions are mobilised how their expression in contemporary institutional settings of state power connects to broader moral and affective economies the contradictions and dilemmas they embody and reproduce and the implications of these emotionalised forms of governance for state praxis and theory The Embodied State will therefore appeal to students and scholars of critical criminology political sociology anthropology migration and border studies and penology It will also be of interest to policymakers and professionals involved in these fields

Researching Prisons Jennifer Anne Rainbow, 2024-02-29 Researching Prisons provides an overview of the processes practices and challenges involved in undertaking prison research The chapters look at the different practical theoretical and emotional considerations required at the various stages of the research process drawing on the reflections and challenges experienced by over 40 other prison researchers both in England and Wales and across the world After introducing the rationale for prison research its methodological and critical context and covering basic practicalities this book offers a range of tips and tricks for the prison researcher It covers key topics such as ethics the process of choosing methods and looks at researching prisons around the world It provides an overview of the key elements when undertaking a piece of prison research from start to completion and draws on the experiences of a broad selection of global prison researchers In doing so it acts as a guide to those working in prison research and brings the prison research community to them It is essential reading for students engaged with prison research methods and for early career researchers

Inmate Radicalisation and Recruitment in Prisons Clarke Jones, Raymund Narag, 2018-12-07 It is traditionally viewed that vulnerable inmates form captive audiences for violent terrorist offenders who in turn are destined to turn prisons into training grounds for militant activities all the while forming alliances with more hardened criminals to produce an even greater threat However there is limited empirical grounding to underpin these assertions Inmate Radicalisation and Recruitment in Prisons challenges existing perceptions about prison radicalisation Whilst not downplaying the seriousness of the prison radicalisation threat it seeks a more balanced interpretation of current discussion Drawing on original research in the Philippines and case studies from Australia the US Canada Indonesia the UK France the Netherlands and Belgium the

authors posit an alternative view that suggests that the imprisonment of a terrorist may mark the beginning of physical disengagement and psychological de radicalisation Offering evidence based insights to help determine how best to house terrorist offenders this volume will appeal to students and researchers interested in fields such as Criminology and Criminal Justice Terrorism Prisons and Organised Crime Medicinal Cannabis and CBD in Mental Healthcare Kylie O'Brien, Philip Blair, 2021-10-27 This book functions as a clinician's guide to the use of cannabidiol CBD in the treatment of mental health conditions It conveys the scientific evidence of efficacy of CBD as well as THC and addresses the social stigma attached to its medical use The book describes the endocannabinoid system how stress and the endocannabinoid system interact and key constituents pharmacokinetics and safety aspects of medicinal cannabis focusing on CBD and THC Chapters on specific mental health conditions describe the underpinning pathomechanisms including how the endocannabinoid system is involved and summarises the scientific evidence including animal and human research for the use of CBD and THC in treatment of such conditions Topics covered include anxiety depression post traumatic stress disorder insomnia Alzheimer's Disease and autism spectrum disorder Chapters also discuss treatment guidelines and case studies Unique and focused Medicinal Cannabis and CBD in Mental Healthcare is an invaluable reference for medical practitioners seeking to adopt CBD use in their treatment plans *Forbidden Knowledge* Terence H. Young, 2023-02-21 Terence Young exposes the pharmaceutical industry secrets and cultural myths that thwart our safe use of prescription drugs Everyone should read it before their next visit to a doctor DR NANCY OLIVIERI MD physician and professor When it comes to drug safety Big Pharma holds all the power and it's time for patients to take it back Tens of millions of patients in North America take prescription drugs but the safety of these drugs is often based on medical myths We are led to believe that if a medication isn't safe the government would never allow it on the market and that doctors would never prescribe a drug that isn't proven effective Who controls these narratives And do they always have the best interests of patients in mind In an in depth study of the enormous influence the pharmaceutical industry has over our health drug safety advocate Terence Young explores how those with the most to gain financially are also those who wield all the power in health care and withhold the knowledge that is critical to the safety of patients *Forbidden Knowledge* reveals the truth you need to know about prescription drugs and what to do about it It will empower you to partner with your doctor to talk openly and plainly about medications to help avoid serious adverse drug reactions This is your survival guide to Big Pharma
