Website Owner's Manual Paul A. Boag, 2009-10-31 Many of the people responsible for a website don't have a clue what's required to build one and keep it up and running. The job of planning, launching and managing a site often falls to people who have little or no experience in web design or development. Website Owner's Manual is for the thousands of marketers, IT managers, project leaders and business owners who need to put a website in place and keep it running with a minimum of trouble. Using clever illustrations, easy to follow lists and diagrams and other friendly touches, Website Owner's Manual helps readers form a vision for a site, guide them through the process of selecting a web design agency and gives just enough background to help them make intelligent decisions throughout the development process. This book provides a jargon-free overview of web design including accessibility, usability, online marketing and web development techniques. Using Website Owner's Manual, readers master the vocabulary and concepts they need to discuss how a website dovetails with the needs of a business. This book will help them work confidently with the designers and developers building and maintaining a site so they can concentrate on what your website needs to do. Purchase of the print book comes with an offer of a free PDF, ePub and Kindle eBook from Manning. Also available is all code from the book. [International Marketing](#)

Barbara Coupe, Dick Coupe, 2013-06-27 We were blessed to grow up in Roman Catholic families and were married in the Church in 1960. Barb gave birth to six children during the next ten years. During this time we made eight physical household moves; four of the relocations were made with newborn babies in tow. In 1974 we made the difficult decision to leave the Catholic Church and have been actively involved in Bible Churches ever since. Who would believe our schedule? We participated in every type of volunteer service available including basketball and soccer coach, Girl Scout leader, Sunday school teachers and always time for family dinners. Barb was a stay-at-home mom and eventually achieved an Interior Design degree. I worked for one employer for almost 50 years which included five different companies and positions from Apprentice to Director. Now comes our together time. In 1985 Barb started to accompany me on business travel trips. We have traveled extensively: Europe, Canada, Alaska, Mexico, Caribbean, China, Russia and South Africa. Along the way we have owned 36 automobiles, one truck and one motorcycle. Please come along for the ride of our lifetimes; we hope that you will enjoy it half as much as we have.
