folklore a scholar of ancient Jewish and Christian history He was at once a peer of Friedrich Nietzsche the Brothers Grimm and a diverse circle of Jewish writers in the Russian Empire and German speaking countries As a Yiddish writer however he remains unknown to general readers Written in 1902 1906 but not published in full until the 1920s his stories were dismissed by prominent critics and viewed as out of step with the literary taste of his own time Yet these vivid portraits of a small Jewish town shtetl in the southern Russian Empire can speak powerfully to new audiences today With enchanting humor social satire and verbal dexterity From a Distant Relation captures the world of the shtetl in a sharp realist prose style Themes of repressed desire poverty relations with non Jews and historic upheavals echo in a cast of memorable characters Many of the stories and monologues feature strong female protagonists while others shed light on misogyny in the culture of the shtetl At the border between fiction and reportage with a gritty underbelly and a deceptive naïveté Berdichevsky's stories explore dynamics of wealth power and gender in an intimate setting that resonates profoundly with contemporary Jewish life

Excerpts from Inprint Joseph D. McGuire, 1927 **Boomer** Linda Grant Niemann, 2011-04-07 A fascinating mix of fact history self confession self accusation and self forgiveness a diary of both emotional relationships and travel Pasatiempo This classic account of self discovery and railroad life describes Linda Grant Niemann's travels as an itinerant brakeman on the Southern Pacific Boomer combines travelogue Wild West adventure sexual memoir and closely observed ethnography A Berkeley Ph D Niemann turned her back on academia and set out to master the craft of railroad brakeman beginning a journey of sexual and subcultural exploration and traveling down a path toward recovery from alcoholism In honest clean prose Niemann treks off the beaten path and into the forgotten places along the rail lines finding true American characters with colorful pasts and her true self as well Makes the railroad experience come alive with all its grit danger romance and general outrageousness Possibly the finest book I've ever read about the actual experience of working on the railroad Trains Magazine Niemann has a taut lyrically restrained but vividly descriptive style with an observational vigilance befitting a brakeman's mindset and her narrative clips along like a boxcar rolling through the yard Bloom Magazine A remarkable adventure tale the occupational odyssey of the Ph D in literature who immerses herself in blue collar America Library Journal

Judging from Experience Jeanne Gaakeer, 2018-12-19 Combining her expertise in legal theory and judicial practice in a continental European civil law system Jeanne Gaakeer explores the intertwinement of legal theory and practice to develop a humanities inspired methodology for both the academic interdisciplinary study of law and literature and for legal practice This volume addresses judgment and interpretation as a central concern within the field of law literature and humanities It is not only a study of law as praxis that combines academic legal theory with judicial practice but proposes both as central to humanistic jurisprudence and as a training in the conduct of public life Drawing extensively on philosophical and legal scholarship and through analysis of literary works from Gustave Flaubert Robert Musil Gerrit Achterberg Ian McEwan
