

“Christ never was in a hurry.
There was no rushing forward, no
anticipating, no fretting over what
might be. Each day's duties were
done as each day brought them,
and the rest was left with God.”

– Mary Slessor

Bits Of Christian Wisdom:

Bits of Christian Wisdom Vernon Gilbert, 2014-11-24 The fear of the Lord is the beginning of wisdom During his fourscore and more years of life in America Vernon Gilbert has watched the decline of his beloved country with sorrow and dismay He attributes this decay to a rampant disregard for the ways of God In the Bible the action of leaves that wither is mentioned over forty times and in each reference the connotation is to something undesirable This deterioration of the basic fabric of our society this withering of our leaf has been growing by leaps and bounds in the past generation Anyone who cannot see the withering of the vine of our great nation hasn't been watching what is going on We have been sitting down waiting for the government to take care of our every whim and we are living off our good credit established by our forefathers We are in fast decline Our leaf is withering Never the pessimist Gilbert still finds reason for hope The God who parted the Red Sea for His chosen people can if He so desires turn the tide for our beloved Republic We must humble ourselves pray seek His presence and guidance and turn from our wicked ways We can as individuals live a good example to those around us and pray for our leaders to repent and look to our Creator for their model of managing the affairs of our nation Author Bio Vernon Gilbert is a life long Texan who became a Christian as a young teen He has been happily married to his wife Shirley for over sixty years The two started a small business in Midland Texas the year they wed That company continues today under the leadership of their three sons one daughter and a number of their twenty five grandchildren Gilbert considers his greatest earthly blessing to be the good name of his family and their business

Archibald, 2019-11-19 Bits of wisdom from the margin of my Bibles For many years I have been writing notes in the margins of my various Bibles Today I have pretty well filled the margins in about five of them These notes in the margins of my Bibles have been bits of wisdom or things I have picked up from various pastors speakers and friends who really struck a chord with me and made me think deeper It is my desire to share these with others in the hope that it will help them as it has me to come into a closer and more personal relationship with Jesus Christ One might call them modern day parables or a kind of proverb *Christian Advocate* , 1918 Pacific Christian Advocate , 1908 **The Sunday Magazine** , 1877 **The Christian Advocate** , 1905 *The Holy Bible* , 1785 *Elonei Mamre* , Nicholas de Lange, Elena Narinskaya, Sybil

Sheridan, 2022-09-26 How can finite minds approach an infinite and ultimately unknowable God Is it true that Christianity is a religion of love and Judaism a religion of law Can a Jew accept the Orthodox Christian veneration of holy images How much do Jews and Orthodox Christians have in common when they worship God What can be done about Christian prayers that Jews find offensive How much responsibility do Christians carry for antisemitism These and other questions are addressed in this book which is intended as a major contribution to encounters between Judaism and Orthodox Christianity In seventeen

chapters expert theologians and historians examine central issues of common concern relating to theology and worship as well as to the vexed historical question of anti-Semitism. The focus is on dialogue and deepened knowledge as the contributors dispel widely held misconceptions and identify a good deal of common ground. **K'oria Misyön P'ildū**, 1927

The Westminster Guide to the Books of the Bible William M. Ramsay, 1994 The Westminster Guide to the Books of the Bible is a much needed comprehensive introduction to all the books of the Bible including the Apocrypha. Written in a clear, easy-to-read style, this book is an ideal learning tool for laity, students, adult study groups, and ministers. The one-volume format is convenient for individual and group study. **The lay preacher's guide, by leading Christian workers** Lay preacher, 1896 **The American Bookseller**, 1878 The Catholic Comparative New Testament Oxford University Press, 2005 The Catholic Comparative New Testament features eight complete Catholic New Testaments translated by dedicated scholars and gathered into a single convenient volume. This edition includes both word-for-word translations of the scripture as well as thought-for-thought translations. Readers can compare verses at a glance with facing page translations: four translations per page in a clear, easy-to-read typeface. The CCNT features four word-for-word translations: Douay Rheims, Revised Standard Version Catholic Bible, New Revised Standard Version Catholic Bible, and the New American Bible. These translations follow as closely as possible the New Testament's original wording, making them perfect for close readings of the text. The Jerusalem Bible, the Good News Bible, the New Jerusalem Bible, and the Christian Community Bible represent the thought-for-thought school of Bible translation. These translations emphasize the intended meaning of the original vocabulary, adapting it to English syntax and grammar, making it easier to understand for the lay reader. The Catholic Comparative New Testament offers the most unique and informed way of reading scripture with its eight different translations. Beautifully printed on the highest quality material, the CCNT is an excellent study guide for the value. The Bible Magazine, 1913 *Christian Science Sentinel*, 1913 **Bits of Pasture, Or, Handfuls of Grass for the Lord's Hungry Sheep** James Russell Miller, 1890
