## **Black Jack Volume 4:**

Black Jack, Volume 4 Osamu Tezuka, 2014-12-31 Black Jack is a mysterious and charismatic young genius surgeon who travels the world performing amazing and impossible medical feats. Though a trained physician, he refuses to accept a medical license due to his hatred and mistrust of the medical community's hypocrisy and corruption. This leads Black Jack to occasional run-ins with the authorities as well as from gangsters and criminals who approach him for illegal operations. Black Jack charges exorbitant fees for his services; the proceeds from which he uses to fund environmental projects and to aid victims of crime and corrupt capitalists. But because Black Jack keeps his true motives secret, his ethics are perceived as questionable, and he is considered a selfish uncaring devil. The Black Jack series is told in short stories. Each volume will contain 16-20 stories, each running approximately 20-24 pages in length. Black Jack is recognized as Osamu Tezuka's third most famous series after Astro Boy and Kimba the White Lion. **Black Jack 4** Osamu Tezuka, 2007-06 El autor quiso

Fate brings them together when Gao cruelly stabs Akanemaru in the arm, crippling him. They part, but their destinies remain inextricably linked as both find their spirits tested in a series of personal and professional trials. Beautifully set against the religious and political upheavals of the time, Karma is considered by many to be the best volume in the entire Phoenix series.
