copy which is not yet available from the Publisher **Air Battle Force** Dale Brown, 2009-03-17 In military circles it s known as Air Battle Force an air combat unit of the future under the command of aerialwarfare expert Major General Patrick McLanahan capable of launching stealthy precision guided firepower to anywhere on the globe within hours And now McLanahan and his warriors have their first target Driven from Afghanistan the parasitic forces of the deposed Taliban regime have decided to feed on a new host an isolated oil rich Central Asian neighbor that s ripe for the conquering The battle for control of the world s largest oil deposits has begun with unsteady alliances forming and opposing forces set to collide And now a handful of American commandos half a world away aided by McLanahan s unproven robotic warplanes will have to triumph against overwhelming numbers in a war that nobody including friendly forces at home wants them to win

The Devil's Fortress Dale Brown, 2024-05-28 After saving the US from a Russian nuclear attack in the bestselling *Weapons of Opportunity* Nick Flynn returns in what could be his most dangerous mission yet Former US Air Force officer Nick Flynn joined the clandestine Quartet Directorate to continue its long standing mission to act decisively against serious threats to the free world And with the backing of Russia s authoritarian president no threat is more deadly than that of Pavel Voronin and his mercenary Raven Syndicate Twice they have almost succeeded in bringing the United States to its knees only to be stopped at the last moment by Flynn and his team of highly trained operatives But Flynn knows it s only a matter of time before one of Voronin s plans to cripple the US bears lethal fruit And so taking the Russian oligarch permanently off the board is now his number one priority Operating undetected deep in hostile territory and fighting their way through Voronin s extraordinarily tough defenses will require every ounce of skill dedication and daring that Flynn and his small force can muster The slightest error could be fatal for all of them and ultimately for millions of Americans With the clock ticking and dangers mounting on all sides it s up to Flynn and the others to finish Voronin before it s too late In this all or nothing battle victory is the only acceptable outcome no matter how high the cost **Plan of Attack** Dale Brown, 2009-03-17 The

destruction of a Russian air base by robotic U S warplanes has reawakened the bear and America must pay a terrible price In retaliation Russia s leader launches the most devastating military sneak attack since Pearl Harbor decimating America s strategic air forces Now an embattled U S president must choose between two horrific scenarios a cease fire on the enemy s terms or respond with every weapon in the nation s arsenal possibly triggering global thermonuclear war Disgraced and demoted to a desk job aerial warfare expert Brigadier General Patrick McLanahan saw the nightmare coming and only he can stop the relentless Russian war machine But the fight for the future must take place in the blazing skies a battlefield off limits to the discredited former commander of Air Battle Force unless McLanahan takes matters into his own hands
