### **Boating Magazine's Insider's Guide to Buying a Powerboat: Featuring Tips and Traps for the Smart Boat**

**Buyer** Robert Lamy, 1999-10-30 Boating Magazine's Insider's Guide to Buying a Powerboat features tips and traps for the smart boat buyer. If you don't have an uncle in the boat dealership business, here's the next best thing: a longtime boat dealer and salesman who lets you in on trade secrets so you can buy a new or used boat without getting burned. J. P. Lamy lays out a step-by-step approach to finding the right small powerboat under 30 feet and buying it at a fair price with favorable financing. You will learn how salesmen are trained, what their margins and markups are, the use of the Internet for boat shopping, what to look for good and bad in a new or used boat, checklists, how to negotiate honestly but toughly, how to shave thousands of dollars from an asking price. Endorsed by Boating magazine, Lamy's guide helps you take control and win in the bargaining process. When it comes to buying a boat, knowledge is power. *Boating*, 1959-01 *How to Buy a Sailboat* Samuel Barrington, 2015-02-17 How to buy a sailboat. Revised in 2018. So you've decided to buy your first boat. Congratulations! Two-thirds of the earth's surface is covered by water, which means you'll soon be able to visit many more places with your new boat than with your car. You're about to discover how to successfully buy a sailboat and how to avoid many common, costly mistakes. The biggest reason that many people never become boat owners is not because of the cost involved, but rather because of fear of the unknown. They fear that they will make a mistake, buy the wrong boat, pay too much, end up having an accident, or will simply be overwhelmed with boat maintenance or some other imagined problem. Samuel Barrington shares his sailboat buying experience, giving the reader a detailed step-by-step guide ensuring no questions remain unanswered. Here is a preview of what you'll learn: How to select the right sailboat, how to do thorough research, inspecting a sailboat, the purchase process, much, much more. Purchase your copy today! Take action today and save thousands of dollars in costly boat buying mistakes by purchasing this book for a limited time for only 7.99.
