Bodies In The Backyard:

Bodies in the Backyard Brian O'Neill, 1993 **Bodies in the Back Garden - True Stories of Brutal Murders Close to Home** Nigel Cawthorne, 2014-08-07 There is one problem which every killer must face how to get rid of the body Murderer Dennis Nilsen famously cooked the corpses of his victims and flushed them down the toilet only to be caught when the sewers blocked up But his first 12 victims were disposed of in the back garden of his previous home Fred and Rosemary West buried the bodies of three of their victims in the back garden Milwaukee cannibal Jeffrey Dahmer began his murderous career scattering human remains in the backyard of his parents home in Bath Ohio Convicted killer Peter Tobin went back on trial after two more bodies were found in the back garden of his former home And grisly granny Dorothea Puente murdered lodgers at her boarding house in Sacramento California dispatching them to the backyard while continuing to cash their Social Security checks This book explores these and many other cases that suggest that whatever the motive for murder the back garden is a convenient place to dump the corpse **Two Bodies in the Backyard** Steve Demaree, 2016-08-21 When someone deposits two bodies in a retired detective's backyard in the middle of the night he has to go to work again to find out who is responsible and why his backyard was chosen A lot of hilarious events happen in this whodunit before the detective can return to being retired again *Images of the Body in India* Axel Michaels, Christoph Wulf, 2012-03-12 This intriguing book engages with the concept of the body in its cultural context by acknowledging and demonstrating that the human body is understood differently in Western and Indian cultures The contributors go on to show that any attempt to put forward a single concept of the body within Indian culture would be misleading Divided into three parts the book examines the considerable and often conflicting variations in body images and body concepts In Part One the contributors focus on the representation of the body in religious and philosophical texts representations that emerged from reading translating and interpreting classical writings from diverse historical and anthropological approaches Through predominantly ethnographic studies Part Two explores the role of the body in narratives and ritual performance from dance to ritualistic ceremonies Visualisation processes of the body are examined in Part Three focusing on developments in modern and contemporary periods from visual practices at the Mughal court to the multiple bodies of the bride and the influence of new media This volume is a fascinating collection of articles for those in the fields of sociology and anthropology history religion cultural studies and South Asian studies *A Body in the Backyard* Elizabeth Spann Craig, 2013 It's just an ordinary day for octogenarian sleuth Myrtle Clover until her yardman discovers a dead body planted in her backyard This death isn't cut and dried the victim was bashed in the head with one of Myrtle's garden gnomes Myrtle's friend Miles recognizes the body and reluctantly identifies him as his cousin Charles He wasn't the sort of relative you bragged about he was a garden variety sleaze which is very likely why he ended up murdered As Myrtle starts digging up dirt to nip the killings in the bud someone's focused on scaring her off the case Myrtle vows to find the murderer before she's pushing up daisies herself Page 4 of
