Cash Machine Charges Great Britain. Parliament. House of Commons. Treasury Committee,2005 About one third of ATMs now make direct charges to consumers and in 2004 it is estimated that UK consumers paid 140 million in charges made whilst accessing funds through cash machines The Committee s report examines the principle and increasing trend towards charging the clarity of presentation of these charges to the consumer the likely impact on financial exclusion and low income households and key areas for action from government regulators and the industry Findings include that although there has been an increase in free machines as well as charging machines their location and the lack of transparency about which machines make charges hinders genuine competition and consumer choice Recommendations include that there should be a clearer indication of the amount of surcharge on external signage with standardised labelling for all free and charging machines The LINK network agreement needs to improve consumer representation and its enforcement mechanisms The trend towards ATM charges should not be allowed to exacerbate existing financial exclusion and the Government should ensure that the switch to direct payment of benefits does not disadvantage recipients in their access to cash *Manual of Business Spanish* Michael Gorman,Maria-Luisa Henson,2006-03-09 Manual of Business Spanish is the most comprehensive single volume reference handbook for students and professionals using Spanish Designed for all users no matter what level of language skill it comprises five parts A 6000 word two way Glossary of the most useful business terms A 100 page Written Communications section giving models of 50 letters faxes and documents An 80 page Spoken Situations section covering face to face and telephone situations A short Reference Grammar outlining the major grammar features of Spanish A short Business Facts section covering essential information of the country or countries where Spanish is used Written by an experienced native and non native speaker team this unique volume is an essential one stop reference for all students and professionals studying or working in business and management where Spanish is used **Accounting Manual for Federal Credit Unions** United States.
