Upper Room Bible Class (Ann Arbor, Mich.), 1923 **A Materiality of Internment** Gilly Carr, 2024-08-07 More than two thousand people from the British Channel Islands were deported to and interned in Germany during the Second World War making up as many as 60% of all interned British citizens in occupied territory during this period This book carries out an in depth analysis of artwork objects oral testimonies archives poetry letters diaries and memoirs gathered from the internees and drawing from around one hundred collections The work is based on over 15 years of research and interviews with more than 65 former internees and explores analytical themes and narratives of placemaking resistance communities food and cooking It also proposes new concepts and categories to help us understand objects that distinguish the experience of internment This book will be of great value for scholars and museum professionals as well as postgraduate students in the field of Conflict Archaeology and scholars of the Second World War Cumulatively this materiality comprises one of the major surviving assemblages of internees to emerge from the war comparable in size quality and importance with that from other theatres of war **MacBethany** Nicholas Grubbs, 2023-06-03 Summer break may be over and a new year may be starting at Arlington City High but simmering tensions between the students are about to reach a boiling point as the annual Student Council elections draw near In the wake of a ruined clandestine relationship a scandal that ruined the former football team captain's life and a suicide that sent shockwaves through the entire student body this new year is shaping up to be even more traumatic than the one before Still reeling over the events of the previous year Bethany Hill wants to see the school turn to ashes In the meantime she will stop at nothing to get her girlfriend Lauren Bradshaw crowned the new school queen Lauren's own reservations about the job be damned Beth will make her President or die trying Head Cheerleader Ashley Williams is out for blood after Beth allegedly stole Lauren her secret ex girlfriend and puts forward her new boyfriend and star quarterback Spencer Barnett as Lauren's main competition A true power couple they stand to run the school unopposed if

Spencer decides to take on yet another role as the most popular guy in school a role he grows to hate more and more with each passing day And then there s poor Katherine Duvall a sweet na ve girl that just wants to make the world around her a better place for people outside of the top one percent How is she supposed to run for office one day if she can barely give a book report in front of the class without wanting to throw up Unfortunately Katherine can barely get her foot in the door before the Powers That Be force Tracy Summers one of the sitting Class Representatives that is very much not apart of the in crowd to befriend Katherine and sabotage her campaign from the inside in exchange for their friendship and a better spot on the Student Council Knowing she will never get into Harvard if she doesn t get a stronger application she begrudgingly accepts Lies cheating and manipulation are the name of the game and only one person can win In this first entry of the MACBETHANY series we will see just how far people will go to help the ones they love and just how far they will go to help themselves

Bullies and Mean Girls in Popular Culture Patrice A. Oppliger,2013-10-03 The numerous anti bullying programs in schools across the United States have done little to reduce the number of reported bullying instances One reason for this is that little attention has been paid to the role of the media and popular culture in adolescents bullying and mean girl behavior This book addresses media role models in television film picture books and the Internet in the realm of bullying and relational aggression It highlights portrayals with unproductive strategies that lead to poor resolutions or no resolution at all Young viewers may learn ineffective even dangerous ways of handling aggressive situations Victims may feel discouraged when they are unable to handle the situation as easily as in media portrayals They may also feel their experiences are trivialized by comic portrayals Entertainment programming aimed particularly at adolescents often portray adults as incompetent or uncaring and include mean spirited teasing In addition overuse of the term bully and defining all bad behavior as bullying may dilute the term and trivialize the problem
