

### Nobel Banquet "Speech"

Your Majesties, Your Highnesses, Ladies and Gentlemen.

*ROYAL*  
Life, like the first blooming, emerges tantalizing to the curious:

Why, How, When, Where;

Interlocked questions arising from the mysterious  
encompassing matters quite serious.

What, for example, is signal transduction?

Haven't you heard the computer chips proclaim,

Surely it's all in the silicon, that's been all along their refrain.

But is life really built on sand

slipping and sliding down its slippery slope  
moving 30 degrees toward eternity, with limited scope.

Enter the letter G, lucky seven in the alphabet  
the starting point for everything surely profound  
remember God, Gustav-V and VI prior crowned  
and now Carl Gustav, whom we gather here to celebrate.

Gilman and Rodbell are delighted to communicate

with receptors dancing to our tuning forks,

Proclaiming all hail to the Swedish Majesties

for giving us the Gustav G

and to Nobel our Gratitude

for the opportunity to express also our homage  
to Nature's use of GTP.

Hail to our friends and colleagues,

to our families, to this hall filled with nobility

Borne on the winds of Nobelwisdom

Signal Transduction which, in inciting whispers between cells,

lends this evening for those still awake

what surely binds us all in this most felicitous state.

Tack, Tack, we say to all before it becomes too late

*Poetry, the word comes from Poesie,  
the Greek word for creation  
is my way of expressing feelings  
On a great event such as this, I  
hope that you understand what I say.  
If not, take it on faith, it is from my soul.*

Be Quick - But Don't Hurry Andrew Hill, John Wooden, 2002-04-22 Be Quick But Don t Hurry presents the team building management secrets of the greatest coach of the twentieth century cloaked in the heartwarming tale of the reluctant protege who learned those secrets in spite of himself Perhaps the least controversial sports honor in living memory was the selection of John Wooden as Coach of the Century by ESPN honoring his ten NCAA basketball championships in a twelve year stretch His UCLA teams won with great centers and with small lineups with superstars and with team effort always with quickness always with class Wooden was a teacher first and foremost and his lessons taught on the basketball court but applicable throughout one s life are summarized in his famed Pyramid of Success Andrew Hill was one of the lucky young men who got to learn from Wooden in his favored classroom though that is hardly how Hill would have described it at the time An all city high school player in Los Angeles Hill played a little on three national champions from 1970 to 1972 Hill was left embittered by his experience at UCLA he was upset at how unequally Wooden treated his starting players and his substitutes Hill went

on to a successful career in television rising to the presidency of CBS Productions where he was responsible for the success of such popular series as *Touched by an Angel* and *Dr Quinn Medicine Woman* Hill's job required him to manage many creative people with the egos and insecurities that usually go along with such talents And one day some twenty five years after he graduated he was hit with the realization that everything he knew about getting the best out of people he had learned directly from Coach John Wooden With no small trepidation Hill picked up the phone to call and thank his old coach and unexpected mentor To his surprise Wooden greeted him warmly and enthusiastically A strong friendship sealed in frequent visits and conversations ensued and endures *Be Quick But Don't Hurry* tells the story of that friendship But it also shares the lessons and secrets that Hill learned from Coach Wooden which hold the key to managing creatively in the idea driven economy of the twenty first century Among those lessons are The team with the best players almost always wins Be quick but don't hurry there is never enough time to be sure and if you are sure you're probably too late but you must always keep your balance Failing to prepare is preparing to fail The team that makes the most mistakes wins Full of sound advice and warm reminiscence *Be Quick But Don't Hurry* is the management book of a lifetime
