

Congratulations Letter for an Achievement

To,
Jane Sloan,
45B. Blossom Street
Poland

Subject – Congratulations achievement letter.

Dear Jane,

Your mother called me yesterday, and she told me that you got 90% marks in the HSC examinations. I was glad to hear the news, and I want to say that made it up to the mark. Getting 90% in HSC is a real achievement, and I am writing this letter to congratulate you on the same. I am amazed to see your excellent academic performance.

But, as the time to choose the right career has arrived now for you, you must choose the best and the right one to be successful. First, gather all the details about the available career options with your interest and then analyze everything to choose the right one for yourself. I also want to suggest you avoid going for the ordinary options that most people chose. Instead of that, try to go with the option that drives your genuine interest.

I hope you receive all the success in your life. All the best for your future!

Your's affectionately
Brian Robbins.
