The Complete Films of Bette Davis Gene Ringgold, 1990 **Caged** Lee Pletzers, 2025-04-12 With no memory of who he is private investigator James Ray wakes up in Russia Kidnapped by the Yakuza he's been turned into a pawn in a global conspiracy With only his instincts and a loyal dog by his side James must navigate a brutal underworld to reclaim his life Meanwhile his girlfriend Tara a former elite operative is held captive by Ryu Murakami a Yakuza mastermind with ambitions that stretch across continents Trapped in a web of trafficking and arms deals she's forced into a psychological battle that will test the limits of her strength and training As James fights to survive and Tara plans her escape danger closes in From backroom deals in Tokyo to violent standoffs in Moscow a coded tattoo known only as 108 holds the key to unraveling a sinister empire of crime A relentless adrenaline fueled thriller CAGED is the second book in the Death World series by Lee Pletzers

The Mansions of Limbo Joseph Roccasalvo, 2009-04-02 This is a collection of stories about people who are almost happy stuck in a kind of beatitude that does not beatify They seemed doomed to pursue happiness in marginal places only to find that bliss is doled out in measured amounts Hankering for satisfaction in a shifting world they live lives of unquiet desperation a connoisseur of oriental culture erotically smitten by a Japanese goldfish a specialist in classics pursuing a student whose profile matches one on a Roman coin itself the image of his dead son identical twins whose loss of their brothers draws them together through an obituary ad a pope whose heart transplant has him making strange post operative choices a satiric theologian whose wit earns him a place on the Index of forbidden books an Abyssinian cat who passes for a Coptic Christian The premise of each story begins as wildly implausible proves arguable until the conclusion becomes incontestable The characters may be stuck but better a mansion in limbo they argue than a high rise in heaven By refusing to say what is bad or good the last story leaves it to circumstance to assess the outcome It seems to say that we all struggle with divided lives engaging on earth in a shuttle diplomacy between limbo and heaven
