The Successful Construction Supervisor and Foreman Paul Netscher, 2019-03-22 Construction is desperate for good experienced skilled and dedicated supervisors and foremen Construction needs you Being a construction supervisor or foreman is challenging it s hard work but it s also rewarding watching projects take shape under your watch A supervisor s job is never boring every day is different each project is different different locations and different people all presenting new challenges A construction foreman foreperson or supervisor supervises a work crew or manages a section of work They re at the coalface of every construction project the critical link in the construction process Good foremen and supervisors are essential to the success of every construction project and every construction company indeed they re invaluable Yet few managers and supervisors are prepared to mentor and train the next generation of supervisors and foremen Most supervisors and foremen have years of experience on the tools learning their trade sometimes through apprenticeships but mostly learning from others These skills are focused on a particular trade or skill But being a supervisor is a different ballgame Where before as a trades person they were doing the work themselves now as supervisor they must organise and manage others doing the work I m a construction professional with 30 years of experience and the author of several acclaimed construction books including *Successful Construction Project Management The Practical Guide* and *Construction Management From Project Concept to Completion* As a young engineer and later as project manager I was fortunate to learn from many excellent supervisors and foremen I wouldn t have achieved what I did without the foremen on my projects They were the powerhouse on my construction projects and I only had to steer the project to a successful conclusion Now it s my turn to share my 30 years of construction experience and knowledge with construction supervisors and foremen To explain why things are done in a certain way why

good paperwork is essential but more importantly to help supervisors and foremen become the very best *ICIESC 2021* Baharuddin Baharuddin, Hesti Fibriasari, Juniastel Rajagukguk, 2021-11-18 We are delighted to deliver the Proceedings of the 3rd International Conference on Innovation in Education Science and Culture ICIESC This conference was organized by Research and Community Service Centre of Universitas Negeri Medan LPPM UNIMED held virtually on 31 August 2021 By raise up the main theme of Leading Recovery The New Innovation in Education Science and Culture After a Global Pandemic the 3rd ICIESC conference shows up several interested topics as a Science Education Vocational Education Social Science and Humanities Management Innovation and Heritage Culture Some of the topics been interested topic and important to be discussed With the number participant is 180 participants who came from Universitas Negeri Medan Universitas Negeri Makasar Widyagama University of Malang Rizal Technological University Philippine Sholom Aleichem Priamursky State University Rusia Thu Dau Mot University Vietnam ICIESC consists of 79 papers The double blinds review process was employed by committee to evaluate all papers whose members are highly qualified independent researchers in the ICIESC topic area It has been our privilege to convene this conference Our sincere thanks to the conference organizing committee to the Program Chairs for their wise advice and brilliant suggestion on organizing the technical program and to the Program Committee for their through and timely reviewing of the papers Recognition should go to the Local Organizing Committee members who have all worked extremely hard for the details of important aspects of the conference programs and social activities Finally we hope that this proceedings can bring contribution and inspire you and result in new knowledge collaborations and friendships Thank you and we hope to meet you again for the next conference of ICIESC
