Myers,2022-01-17 This book describes the century long emergence and battle to protect drivers and occupants of off road
and on road vehicles from crush related injuries from rollovers Deaths and serious injuries have been associated with vehicle
overturns that involve tractors other motorized machinery automobiles and small vehicles It took more than a century to
attend to much of this epidemic of death and disabling injury that resulted from these overturns This book argues that a key
factor in this response was epidemiology that reported rollover related deaths and engineering revisionism that moved
responses from blame the victim to rollbars to prevent the deaths **Standard & Poor's 500 Guide 2009 PB** Standard &
