- Spend time on the premise so that it is as compelling as possible. For commercial fiction there should be a great hook to the central idea. (E.g. Would you kill your wife to save your child?)
- Write down ONE main story question which will be answered by the end of the novel. Will the heroine find love? Will the detective discover who the real killer is?

### STORY LENGTH

- What is at stake for the main character?
- Why should a reader care about that issue?
- Is there a central dilemma that will drive the story?
