## **Contemporary Auditing 8th Edition:**

Contemporary Auditing: Real Issues and Cases Michael C. Knapp, 2010-01-15 Knapp's CONTEMPORARY AUDITING REAL ISSUES AND CASES Eighth Edition uses real world cases to acquaint students with the work environment of auditors. It also helps them recognize the red flags that often accompany problem audits. The eighth edition offers thirteen new cases including exciting new cases that will familiarize students with the massive economic crisis that the U.S. and global economies have recently faced: New Century Financial Corporation, Madoff Securities, and American International Group (AIG). In addition, five new cases have been added to the International Cases section, examining auditing challenges in Australia, China, India, Japan, Russia, South Africa, and several other countries. Globalization has been the most dramatic trend in the business world over the past few decades, and this section provides the most current relevant information for faculty and students alike. The eighth edition fully integrates risk assessment standards recently adopted by the auditing community. Professors can use this casebook to supplement the first undergraduate auditing course as a primary text for a second undergraduate auditing course or a graduate level auditing seminar. Selected cases in this text also are suitable for use in financial accounting courses and may be customized into a unique casebook at <http://www.cengage.com/custom/makeityours>. Johnson, 2005-08-19 Known in the academic market for its clear writing style and accessibility, this extensive revision focuses on auditor decision making and the auditor's role in providing assurance about the integrity of the financial reporting system. This is particularly important in light of the recent events involving WorldCom, Enron, Xerox, Aldelphia, Tyco Waste Management, and other recent incidents that have questioned the quality of work in the auditing profession. Intended for a junior or senior level course in auditing or assurance services taught at most four-year schools. *Modern Auditing* William C. Price Waterhouse, Lehman Brothers, Leigh Ann Walker, Madoff Securities, The Trolley Dodgers, and ZZZZ Best Company. Many of the returning cases have been updated to include relevant circumstances and events that have occurred since the publication of the previous edition. This edition features 18 new cases.
