Maxine Clair,2002-09 The air cools to crisp carries sound farther Last pears ripen and fall ferment on the ground the aroma
of their wine mixes with the pungency of leaf smoke from nowhere and everywhere At nightfall the wing song shrill of
crickets announces that this season has a natural pathos to it the brief and flaming brilliance of everything at the climax of
life moving toward death October Brown had named herself for all of that So begins this beautifully written coming of age
story about a young woman who struggles to overcome her family s frightening legacy and keep her own child from similar
emotional harm It is 1950 and October Brown is a twenty three year old first year teacher thanking her lucky stars that she
found a room in the best boardinghouse for Negro women teachers in Wyandotte County Kansas October falls in love with an
unhappily married handyman James Wilson but when she becomes pregnant James deserts her Stunned and believing that
James will eventually come back to her October decides to have the baby But he doesn t come back As her reputation suffers
and with her job in jeopardy she spends her days in self deception and denial Her best friend Cora contacts October s family

her older sister Vergie and her aunts Frances and Maude who raised the sisters after their mother was killed by their father. October goes back to her family in Ohio and gives birth to her son Numb; she gives the child David to Vergie and her husband to raise as their own, then returns to Kansas City to rebuild her life. But something is missing, and apparently too late, October realizes what she has done. What follows is the heartrending account of October's efforts to reclaim her dignity, her profession, and her son's efforts that lead her into a bitter struggle with her sister and a confrontation with her parents' violent past. The Midwest, the flourishing of modern jazz, and the culture of segregation form a compelling historical backdrop for this timeless and universal tale of one person's battle to understand and master her own desires and to embrace the responsibilities and promise of mature adulthood. *October Suite* plays a beautiful, haunting melody, turning everyday life into exceptional art. From the Hardcover edition.

Life Henry R. Luce, 1962 *Bittersweet* Colleen McCullough, 2015
