Black Heart Blue:

Black Heart Blue Louisa Reid, 2012-05-10 They tried to make me go to my sister's funeral today In the end I'd had to give in I'd been walking in her shadow for sixteen years and I liked its cool darkness It was a good place to hide How would you feel if your twin sister died suddenly Particularly if she was the beautiful one and you were horribly disfigured And how would it feel to be alone now if you and your sister were the only ones to know the truth about what takes place behind closed doors at home And what would you do if it was your parents who brought danger and terror into your life Would you dare reveal how your sister died And would you be brave enough to find an escape of your own Black Heart Blue is a powerful novel about the domestic horrors that can unfold within a small community and one girl's quest to stand up for the truth

Genghis Khan John Man, 2024-06-04 A thrilling account of the brilliant ruthless founder of the Mongol Empire The Guardian Genghis Khan is one of history's immortals alive in memory as a scourge hero military genius and demigod To Muslims Russians and westerners he is a murderer of millions a brutal oppressor Yet in his homeland of Mongolia he is the revered father of the nation and the Chinese honor him as the founder of a dynasty In his so called Mausoleum in Inner Mongolia worshippers seek the blessing of his spirit In a supreme paradox the world's most ruthless conqueror has become a force for peace and reconciliation As a teenager Genghis was a fugitive hiding from enemies on a remote mountainside Yet he went on to found the world's greatest land empire and change the course of world history Brilliant and original as well as ruthless he ruled an empire twice the size of Rome's until his death in 1227 placed all at risk To secure his conquests and then extend them his heirs kept his death a secret and secrecy has surrounded him ever since His undiscovered grave with its imagined treasures remains the subject of intrigue and speculation This is more than just a gripping account of Genghis rise and conquests John Man uses firsthand experiences in China and Mongolia to reveal the khan's enduring influence He has traveled the length of the empire and he spotlights the tension between Mongols and Chinese who both claim Genghis spirit He is the first writer to explore the hidden valley where Genghis is believed to have died and one of the few westerners to climb the mountain where he was likely buried This stunning narrative paints a vivid picture of the man himself the places where he lived and fought and the passions that surround him still For in legend ritual and intense controversy Genghis lives on An engrossing book Booklist A rattling good read The Independent
