Black Ice Valmore James, John Gallagher, 2015-02-01 The first black American in the NHL tells his story Val James became the first African American player in the NHL when he took to the ice with the Buffalo Sabres in 1982 and in 1987 he became the first black player of any nationality to skate for the Toronto Maple Leafs Born in central Florida James grew up on Long Island and received his first pair of skates for his 13th birthday At 16 James left home to play in Canada where he was the only black person in junior and often in the whole town While popular for his tough play and winning personality the teenager faced racist taunts at opposing arenas and the prejudice continued at all levels of the game In his two NHL stints James defined himself as a smart team player and opponent known for his pugilistic skills *Black Ice* is the untold story of a trail blazing athlete who endured and overcame discrimination to realize his dreams and become an inspiration for future generations

Sandor, 2025-09-16 A deep dive into the institutional racism and prejudice in the sport of hockey that persists across all levels and how it will impact the future of the sport While professional sports leagues claim to promote diversity and inclusivity institutional racism remains apparent in all sports but especially hockey In *Leveling the Ice* sportswriter Steven Sandor challenges the perception that hockey is open to everyone and the idea that the hockey establishment wants more inclusion and diversity Featuring interviews with NHL players of color like Darnell Nurse Matt Dumba Nazeem Kadri Zach Whitecloud Ethan Bear Jason Robertson Sandor reveals their stories of exclusion to highlight the deeply ingrained racism in the sport The players share insights into the racism they faced while they built their careers as well as the racism they still face today from the hockey establishment From hockey's racist past to the ongoing reluctance of the hockey establishment to embrace grassroots diversity initiatives Sandor delves into how members of communities of color who only make up 5% of the NHL are being driven away from the sport to more inclusive ones like soccer and basketball despite the NHL's expansion to new markets and demographics with billion dollar TV deals Comprehensive and timely *Leveling the Ice* grapples with how the institutional racism in hockey will directly affect the future of the sport
