Black Wolfs Revenge:

Black Wolf's Revenge Tera Shanley, 2015-02-17 He'll risk it all to bring her home Morgan Carter witnessed her sister's murder has been turned into a werewolf and is now raising her young niece Then her fiancé Greyson Crawford proves he wants to be with her for the wrong reasons and she knows her life couldn't be any stranger Devastated she retreats to her cozy house in the city with her sister's little girl Lana There they'll have normalcy and maybe eventually even happiness But Morgan's the only living silver wolf Her uniqueness the ability to produce werewolf offspring means without Grey's protection she's unknowingly put herself and Lana in deadly danger Other werewolves want to claim her for their pack and she's the easiest most tempting prey ever When they strike Grey has to find her and rescue her before it's too late Not so simple a task he has only the uncontrollable beast inside him Wolf and an unlikely pack of allies he's forced to rely on Can he get to her in time And if he does can he convince her he's there for the right reasons saving them both 38 201 Words [The Great American Wolf](#) Bruce Hampton, 1997-11-15 For more than 300 years the wolf was North America's most reviled beast pursued to the brink of extinction throughout the United States Then within the last half century public opinion changed and the wolf became the symbol of the wilderness tolerated and even desired over much of its former range insert 2 maps

Summit of the Wolf Tera Shanley, 2015-09-01 An Unbreakable Bond Morgan Carter is a claimed werewolf Only her mate Greyson Crawford has the right to protect her and to love her But that hasn't stopped rival packs from challenging Greyson's claim Morgan is the last silver wolf the only female with the ability to produce werewolf offspring which means there are many who would defy pack law to make her their own An Unstoppable Evil When war comes to the Silver Wolf Clan on the eve of The Summit Morgan and Greyson have no choice but to fight for their kind With the arrival of an ancient enemy the two realize that the war has only just begun and to survive the greatest threat they have ever faced they must learn to trust each other again [Silver Wolf Clan](#) Tera Shanley, 2014-08-06 Silver Wolf Clan 1 Loving him will be legendary if she can survive it What happens when monsters turn out to be real One summer night while camping in the woods Morgan Carter finds out in a big way A tall mysterious stranger Greyson Crawford risks his life to try and save her sister from the vicious wolf attacking their camp When he's bitten and disappears into the night Morgan can only assume the worst Greyson shows up a year later and he's a different animal altogether His eye color shifts constantly and the rumble in his throat sounds more animal than human She hasn't any idea where he's been all this time but a good guess as to what he's become Grey is determined not to let the darkness of his new existence affect Morgan and the little girl in her care He hasn't been able to stop thinking about Morgan but knows he should stay away and let her live a normal life That's easier said than done though A new danger pulls him from the shadows to keep her safe and he's no wolf in sheep's clothing Can she accept what lurks just below his surface More importantly can she survive him 39 000 Words [Story Of Wolves: Snowfall and Bandit](#) Bailey Minter, 2013-01-13 Are you looking for a wolf adventure story Well then you're in luck This action pack story is an
