Black Women Motorcycle Riders:

Bessie the Motorcycle Queen Charles R. Smith Jr.,2022-09-20 Hop on the bike with Bessie Stringfield the motorcycle queen of Miami in this powerful picture book from Coretta Scott King medalist Charles R Smith Jr and debut picture book illustrator Charlot Kristensen The folks they lined up to meet the Motorcycle Queen seated sidesaddle on her motorbike machine In 1929 18 year old Bessie Stringfield hopped on her motorcycle and headed out on an adventure an unusual choice for a young Black woman at the time Paying her way by winning motorcycle races she criss crossed the country through small towns big cities and wide open spaces But not everyone was happy to see Bessie s brown face peeking out from underneath her helmet And more than once Bessie found herself making some quick exits on the back of her bike to escape Jim Crow A trailblazer in the world of women s racing and motorcycling Bessie Stringfield was a figure who will inspire all children to pursue their dreams From the first line award winning author Charles R Smith Jr s poetry evokes emotion excitement fear and wonder in equal measures Charlot Kristensen portrays Bessie and the American landscape with vivid imagery that is sure to capture the attention of young readers A much needed story about a Black woman who paved the way for future generations for fans of *The Undeclared* by Kwame Alexander and *Kadir Nelson* and *My Papi Has a Motorcycle* by Isabel Quintero and Zeke Pe a Hogs, Blogs, Leathers and Lattes William E. Thompson,2012-09-18 This book combines more than 45 years of the author s riding experiences with data collected over five years of systematic observation and extensive ethnographic interviews with over 200 male and female riders Much has been written about hardcore bikers but there has been little scholarly research on the much larger segment of the population more aptly called motorcycle enthusiasts This book focuses on them the hard working plumbers truck drivers and other blue collar workers as well as the white collar executives doctors and other professionals who are mostly married have mortgages pay their bills obey the law and on weekends and holidays participate in a favorite pastime riding motorcycles **Biker Gangs and Organized Crime** Thomas Barker,2010-04-06 This book examines the reported criminal behavior of the entire spectrum of 1% biker clubs and members It identifies the clubs whose members have been involved in criminal behavior and classifies their behaviors as individual group or club sponsored condoned behavior While other books examine the criminal exploits of one or more of what are called the Big Five biker clubs because of their size and sophistication or the sensational crimes of lesser known 1% biker clubs or club members this book pays attention to the criminal activities of individuals groups and chapters of other clubs as well The book is based on journalistic accounts and autobiographies of former and present members of biker clubs academic scholarly works law enforcement government reports articles from newspapers and biker web sites and a content analysis of federal and state court cases regarding bikers and motorcycle clubs Text enhanced with numerous photos and figures **Would Jesus Date A Woman Like Me?** Brian Bolden,2015-02-11 Throughout the centuries frustration disappointment and despair on both sides has created a great divide between black women and black men In the world of

relationships it has become increasingly difficult for black women to make an emotional spiritual and psychological connection with black men For many women they don't even know how to begin to put on a different hat and often find themselves saying Why can't I find a good black man The truth of the matter is many black women are sinking and drowning according to many black men On the other side of the spectrum there are black men who also have a considerable amount of scar tissue to deal with not the least of which has been black women who are deceitful disrespectful high maintenance materialistic gold diggers with get paid mentalities The end result is that many black men have become frustrated with black women and have also chosen to cross color lines in unbelievably large numbers For those black men having a strong Nubian queen by their side has become nothing more than a pipe dream they used to have For them dating outside their race is no longer taboo and no longer creates the innate feeling of betraying black women Sadly a lot of black men all over the country have lost love and respect for many black women A lot of black men feel many black women have no idea how to love them care for them or nurture their men They no longer believe that black women are good homemakers nor can they keep a peaceful home This is an epidemic that has spread all over America It is my sincere belief that the thoughts and ideas outlined in my book will help answer numerous questions with which black women continue to struggle regarding their relationships with men particularly black American men such as Why will he bed me but not wed me Why have many black women lost the love and respect of black men Why are black men continuing to cross the fence in alarming numbers Why are black men becoming more hesitant to approach black women Are black men really intimidated by successful black women Why are so many black men disappointed discouraged and frustrated with many black women Why do many black men see black women as too difficult and too complicated to deal with Why are some black men making a vow to never date or marry another black woman ever again Why are many black women hitting home runs in their careers but striking out in their relationships and marriages These are some of the questions that are answered in this book This is why it was so important for me to write this book I want to inform black women in America what they need to do to help restore the faith of good quality black men I want black women to understand that I am writing this book as a wake up call If I do my job well perhaps these words will sufficiently energize the mind heart and soul of the amazing creation God called woman to stimulate positive behavioral change in her or at least provoke a little thought Now I know I'm treading on thin ice here but trust me when I say this book is not about bashing black women in America It's a book about reality and truth More often than not most of us do not like to hear the truth because it forces us to take a good look at ourselves blemishes and all The old adage The truth hurts could certainly apply here However another old adage is also applicable The truth shall set you free By writing this book I truly hope to make it easier for black men and woman to come together as one I want black women to understand that just because many black men have lost faith doesn't mean that we have given up on you The reality is that sometimes we need to be challenged and this book will definitely challenge many black women in America to take an introspective look at
