FIRE AND ICE 2

2ND EDITION

FREE
eBOOK

Some say the world will end in fire, some say in ice,
From what I've told the story, I have heard
But if it had to perish twice, I think I know enough of both,
To say that for destruction ice is also great – and would be safe.

Black Ice George Robert Fosty, Darril Fosty, 2007 The Colored Hockey League of the Maritimes was formed in 1895 in Halifax Nova Scotia Canada Comprised of the sons and the grandsons of runaway American slaves the league helped pioneer the sport of ice hockey changing this winter game from the primitive gentleman's past time of the Nineteenth Century to the to the modern fast moving game of today In an era when many believed Blacks could not endure cold possessed ankles too weak to effectively skate and lacked the intelligence for organized sport these men defied the established myths The Colored League was one of the most complex sports organizations ever created and was lead by Baptist ministers and church laymen Natural leaders and proponents of Black Pride these men represented a concept in sports never before seen Their rule book was The Bible Their game book the coded words and oral history derived from the experiences of American slavery and the Underground Railroad Their strategy the principles and teachings of American Black leader Booker T Washington the founder of the Tuskegee Institute and a believer in the concept of racial equality through racial separation Twenty five years before the Negro Baseball Leagues in the United States and twenty two years before the birth of the National Hockey League the Colored League would emerge as a premier force in Canadian hockey and supply the resilience necessary to preserve a unique culture which exists to this day Unfortunately their contributions were conveniently ignored or simply stolen as White teams and hockey officials influenced by the Black league copied elements of the Black style or sought to take self credit for Black hockey innovations Seven years of research has gone into this book This is the first book ever written on the Colored Hockey League of the Maritimes

Dictionary of Prince Edward Island English Terry Kenneth Pratt, 1996-01-01 Strupac fornenst trappy sciss kippy snool flying axehandles from across these and hundreds of other fascinating and colourful words and phrases give the English language as it has been spoken in Canada's smallest province a flavour all its own With the Dictionary of Prince Edward Island English T K Pratt makes a major scholarly contribution to the growing list of regional dictionaries that enable us to discover the rich heritage of the language as spoken throughout North America at the same time it offers a splendid general introduction to the historical and sociological life of the island There are approximately 1000 entries of non standard or dialect words past and present The notes deal with usage pronunciation alternate forms and spellings and stylistic and regional labels Entries include definitions supportive quotations from P E I sources editorial notes about various subtleties

and dictionary notes which provide links to some thirty five other dictionaries Pratt s introduction defines the criteria for inclusion of words explains his research methods and outlines the layout of entries The end matter includes a bibliography and an important sociolinguistic essay The Dictionary in Profile which places the work in the broader context of Prince Edward Island speech Its range and depth of coverage make this an essential work not only for those concerned with P E I and Maritimes studies but for all those interested in the regional usage of English

The Literary World ,1888

A Body of Vision R. Bruce Elder, 1998-10-14 Elder examines how artists such as Brakhage Artaud Schneemann Cohen and others have tried to recognize and to convey primordial forms of experiences He argues that the attempt to convey these primordial modes of awareness demands a different conception of artistic meaning from any of those that currently dominate contemporary critical discussion By reworking theories and speech in highly original ways Elder formulates this new conception His remarks on the gaps in contemporary critical practices will likely become the focus of much debate
