## **Black Women Motorcycle Clubs:**

**Prospect's Bible for Women's Motorcycle Clubs** John E. Bunch, 2nd, 2016-07-13 Women's motorcycle clubs are establishing themselves across the nation at a fast and furious pace. Women are saying no to marginalization, sexism, sexual discrimination, and demanding the right to ride free, which is not an uncommon request for true bikers. And women's motorcycle clubs are receiving their blessings to form their clubs, elect their officers, and show what they can contribute to the MC lifestyle on two. If you are ready to participate, National President John E. Bunch II will share information and tactics with you to help you define the MC Set, find a women's motorcycle club, and successfully prospect for that women's motorcycle club to win your status as a full patch sister. National President John E. Bunch II has over 27 years experience as a full patch brother of the Mighty Black Sabbath MC Nation. He has been the National President for the last 7 years. Ride hard ladies.

**Biker Gangs and Organized Crime** Thomas Barker, 2010-04-06 This book examines the reported criminal behavior of the entire spectrum of 1% biker clubs and members. It identifies the clubs whose members have been involved in criminal behavior and classifies their behaviors as individual, group, or club sponsored/condoned behavior. While other books examine the criminal exploits of one or more of what are called the Big Five biker clubs because of their size and sophistication, or the sensational crimes of lesser known 1% biker clubs or club members, this book pays attention to the criminal activities of individuals, groups, and chapters of other clubs as well. The book is based on journalistic accounts and autobiographies of former and present members of biker clubs, academic scholarly works, law enforcement government reports, articles from newspapers and biker web sites, and a content analysis of federal and state court cases regarding bikers and motorcycle clubs. Text enhanced with numerous photos and figures.

**Righteous Sisterhood** Sarah L. Hoiland, 2025-01-24 In this book, the author rides along with an all women motorcycle club and observes their lifestyles and rituals of membership. She theorizes the sense of belonging they derive alongside their reactionary politics, their desire for relevance, and their alienation from male-focused right wing spaces.

**The Harley-Davidson Reader** Arlen (CON) Ness, Michael Dregni, Evel Knievel, Jean (FRW) Davidson, Sonny Barger, Hunter S. (CON) Thompson, Harley Davidson motorcycles are the grandest name in American motorcycling and represent the freedom of the open road, a life of rebellion, and a heritage of craftsmanship for over 100 years. In this collection, the biggest and best writings, old and new, are assembled on Harley Davidson and their unique mystique by writers and personalities that are part of the legend, from Hunter S. Thompson to Sonny Barger, Evel Knievel to Arlen Ness, and more. Punctuated with classic images from vintage motorcycling photos to racing and walls of death posters to pictures from biker LPs and novels, these are the stories that have helped define the Harley Davidson myth. The tales of the company's birth, the rise of the biker outlaw legend, and the modern day revival of choppers, bobbers, and retro rides are all told by the best loved sages of biker lore. With sidebars on biker movies, biker literature, and much more, this book chronicles the Motor Company's long ride into modern day legend.
