 Scripture and provides reflective questions empowering declarations and practical applications that help readers internalize
 these truths and live them out in their everyday lives Through this book believers are invited to deepen their relationship
 with God reflect His character in the world and actively participate in the mission of spreading the gospel with boldness and
 love *Foundational Truths* ,2003 This book is part of a curriculum designed for small group Bible studies The study
 contained in this book focuses on the major themes of the Apostles Creed **Practical Religion** J. C. Ryle,2021-01-12
 Practical Religion by J C Ryle 1816 1900 was first published in 1878 and is renowned as a theological and apologetic
 Christian classic esteemed for its clear profound and penetrating narrative on the practice of genuine Christian living Within
 its pages Ryle masterfully unfolds practical biblical truths in a series of treatises or papers as he calls them each written to
 address a critical aspect of where personal faith in Christ and the practice of that faith in holy living unite and are essential
 for Christian growth and effectiveness as a witness for Christ in the world Ryle exposes hypocrisy and nominalism in religion
 or Churchianity as he calls it which was as systemic in his day as it is today His poignant narrative appeals to the Church as
 well as to individuals who profess to be Christians a call to self examination in all things and a return to sound Biblical truths
 seriously and practically applied in every aspect of Christian life Some of the subjects addressed include Self Inquiry Reality
 Prayer Bible Reading Zeal Formality The World Sickness Riches and Poverty Eternity among others Ryle s unique style
 penetrates the heart and challenges the mind of its readers and is not for the faint of heart but is designed for those who
 genuinely and humbly seek a deeper abiding surrendered life in Christ No wonder his equally renowned contemporary
 English minister Charles Spurgeon called him an evangelical champion One of the bravest and best of men J C John Charles
 Ryle was the first Bishop of Liverpool and one of the most influential evangelical ministers and writers of the nineteenth
 century Ryle quotes from Practical Religion Real religion is not mere show and pretense and skin deep feeling and temporary

profession and outside work It is something inward solid substantial intrinsic living lasting A lack of reality is a striking feature of a vast amount of religion in the present day The subject is of deep importance in every age There has never been a time since the Church of Christ was founded when there has not been a vast amount of unreality and mere nominal religion among professing Christians I am sure it is the case in the present day It is not the Christianity of Peter and James and John and Paul It is Churchianity and nothing more
