and How They Shaped the Modern World* Beatrice Heuser,Athena S. Leoussi,2018-08-30 This first of two books on pivotal
battles in Western Civilisation and their legacy in politics history and from the triumphs and defeats of the Roman Empire to
Hastings the massacre of B ziers and the battle of Courtrai In each chapter the historical events surrounding a battle form
the backdrop for multi layer interpretations which consciously or unconsciously carry political agendas Praise for Famous
Battles and How They Shaped the Modern World This ground breaking series goes well beyond military history by exploring
the transformation of battles into sites of memory and meaning Beatrice and Athena s superb book about classic epic battles
is absolutely compelling and terrific in its scope and detail Books Monthly Battles so often appear as exceptional events quite
divorced from the wars which produce them and even those wars are sometimes studied without the context of their times
This is why the excellent two volumes of Famous Battles and How They Shaped the Modern World is as valuable as it is
unusual If these books do something to advance solidarity and reconciliation they will have done sterling work John Hussey
