**Portfolios that Sell** Selina Oppenheim,2003 It used to be that art directors creative professionals and producers hired talent based on reputation networking and personal relationships Today s ultracompetitive business climate is vastly different Art buying is now more project oriented Art directors and creative professionals now must review portfolios with their clients before making any hiring decisions Since most photographers are self employed hiring a photo rep is an expense that cuts dramatically into an already tight bottom line So now more than ever showing a killer portfolio that communicates a clear vision can mean the difference between winning projects or just sitting on the sidelines InPortfolios That Sell veteran consultant and lecturer Selina Oppenheim reveals how to create an innovative competitive and effective portfolio that will get attention from any

potential client Based on her 20 plus years of consulting with scores of photographers graphic designers and illustrators Oppenheim demonstrates how today s commercial photographer can communicate expertise experience and creative vision clearly and intelligently through a well executed portfolio Packed with a wealth of no fail tips and practical advice for effective marketing self promotion and client relationships Portfolios That Sell is an indispensable guide for the photographer who wants financial as well as artistic success Filled with scores of high quality images taken for real life clients Presents important information about a timely practical subject A unique look at the business strategies as well as the artistic concerns of preparing a winning portfolio      **ACADIA 22** Kevin R.
