### **Recipes from the Jewish Kitchens of Curaçao**

,1997 The recipes in this book are unique to the island of Curaçao and taken from our own kitchens. Since the Jewish families have lived on Curaçao over 300 years, our way of cooking and our tastes have mingled with those of other groups which have also settled on the island. As a result, the following is a mixture of the traditional and the new, of special holiday dishes and everyday foods of Jewish dishes and international ones. What is common to all is that they are still enjoyed today by our Jewish families and by many others. When we first thought about compiling this cookbook, we wanted to preserve for future generations the traditional recipes which have been handed down through the ages among Curaçao's Jewish families. We soon realized that different families often had varying ways of preparing the same food, so the recipes had to be presented with optional variations.
