Black Dahlia White Rose:

Black Dahlia & White Rose Joyce Carol Oates, 2012-09-11 A mesmerizing storyteller who seems almost unnaturally able to enter the tormented inner lives of her characters Denver Post Black Dahlia a superb collection that showcases Joyce Carol Oates's ferocious energy and darkly imaginative storytelling power

Black Dahlia & White Rose Joyce Carol Oates, 2012 In this work the author offers a collection of 11 previously uncollected stories including a title piece that tracks the friendship between Elizabeth Short famously known as the Black Dahlia the victim of a markedly brutal murder in 1940s Los Angeles that remains unsolved and her roommate Norma Jeane Baker who became Marilyn Monroe In each of these stories the author explores the menace that lurks at the edge of and intrudes upon even the seemingly safest of lives and maps the transformational cost of such intrusions

The Best Horror of the Year Ellen Datlow, 2013-08-27 Darkness both literal and psychological holds its own unique fascination Despite our fears or perhaps because of them readers have always been drawn to tales of death terror madness and the supernatural and no more so than today when a wildly imaginative new generation of dark dreamers is carrying on in the tradition of Poe and Lovecraft and King crafting exquisitely disturbing literary nightmares that gaze without flinching into the abyss and linger in the mind long after Multiple award winning editor Ellen Datlow knows the darkest corners of fiction and poetry better than most Once again she has braved the haunted landscape of modern horror to seek out the most chilling new works by both legendary masters of the genre and fresh young talents Here are twisted hungers and obsessions human and otherwise along with an unsettling variety of spine tingling fears and fantasies The cutting edge of horror has never cut deeper than in this comprehensive showcase of the very best the field has to offer Enter at your own risk

Capitalism, Crime and Media in the 21st Century Neil Ewen, Alan Grattan, Marcus Leaning, Paul Manning, 2021-04-15 This edited collection from leading scholars in the fields of media communications cultural studies and a number of aligned areas looks to the intersection of capitalism crime and the media The text is founded on the principles of cultural criminology that how we determine and understand crime lies in the social world and that the determination of crime and its mediation in popular culture have a political basis The book consists of eleven chapters and is divided into three sections Section one considers the intersection of crime and capitalism in a range of contemporary cultural texts Section two examines how various power systems influence the operation of the media in its role of reporting crime and holding the powerful to account Section three considers how texts in a variety of formats are used to conduct politics communicate politics and enact political decision making

Historical Dictionary of Horror Literature Mark A. Fabrizio, 2023-12-06 Stories of vampires werewolves zombies witches goblins mummies and other supernatural creatures have existed for time immemorial and scary stories are among the earliest types of fiction ever recorded Historical Dictionary of Horror Literature is an invaluable aid in studying horror literature including influential authors texts terms subgenres and literary movements This book contains a chronology an introduction and an extensive bibliography The dictionary section has
