*Daily Life during the Black Death* Joseph P. Byrne, 2006-08-30 Daily life during the Black Death was anything but normal When plague hit a community every aspect of life was turned upside down from relations within families to its social political and economic structure Theaters emptied graveyards filled and the streets were ruled by the terrible corpse bearers whose wagons of death rumbled day and night Daily life during the Black Death was anything but normal During the three and a half centuries that constituted the Second Pandemic of Bubonic Plague from 1348 to 1722 Europeans were regularly assaulted by epidemics that mowed them down like a reaper's scythe When plague hit a community every aspect of life was turned upside down from relations within families to its social political and economic structure Theaters emptied graveyards filled and the streets were ruled by terrible corpse bearers whose wagons of death rumbled night and day Plague time elicited the most heroic and inhuman behavior imaginable And yet Western Civilization survived to undergo the Renaissance Reformation Scientific Revolution and early Enlightenment In *Daily Life during the Black Death* Joseph Byrne opens with an outline of the course of the Second Pandemic the causes and nature of bubonic plague and the recent revisionist view of what the Black Death really was He presents the phenomenon of plague thematically by focusing on the places people lived and worked and confronted their horrors the home the church and cemetery the village the pest houses the streets and roads He

leads readers to the medical school classroom where the false theories of plague were taught through the careers of doctors who futilely treated victims to the council chambers of city hall where civic leaders agonized over ways to prevent and then treat the pestilence He discusses the medicines prayers literature special clothing art burial practices and crime that plague spawned Byrne draws vivid examples from across both Europe and the period and presents the words of witnesses and victims themselves wherever possible He ends with a close discussion of the plague at Marseille 1720 22 the last major plague in northern Europe and the research breakthroughs at the end of the nineteenth century that finally defeated bubonic plague

**Black Death, White Medicine** Myron J. Echenberg, 2002 The bubonic plague took over 50 000 lives in colonial Senegal between 1914 and 1945 The Africans tenaciously resisted coercive and punitive plague control measures This text examines how colonizer and colonized changed their perceptions of the epidemic over time North America Heinemann
