Broken Glass J Elizabeth Mascoli, 2019-07-10 The hit and run car accident changed Reeve's life In a split second he lost

his two best friends siblings Brenner and Kami and got shuttled away to a hospital in order to address his disordered eating. Now as he continues to work on his recovery from anorexia and the tragedy that took his best friends, he returns to life as normal as a junior in high school. It's not as simple as all that though; Reeve works through friendship school and health trying to learn to trust himself again while picking up the shattered pieces of his life all around him. It is not something he wants to remember, but it is something he can never forget like shards of broken glass in his memory.
