**Biker Gangs and Organized Crime** Thomas Barker, 2010-04-06 This book examines the reported criminal behavior of the entire spectrum of 1% biker clubs and members. It identifies the clubs whose members have been involved in criminal behavior and classifies their behaviors as individual, group, or club sponsored/condoned behavior. While other books examine the criminal exploits of one or more of what are called the Big Five biker clubs because of their size and sophistication or the sensational crimes of lesser known 1% biker clubs or club members, this book pays attention to the criminal activities of individuals, groups, and chapters of other clubs as well. The book is based on journalistic accounts and autobiographies of former and present members of biker clubs, academic scholarly works, law enforcement government reports, articles from newspapers, and biker web sites, and a content analysis of federal and state court cases regarding bikers and motorcycle clubs. Text enhanced with numerous photos and figures.

**American International Pictures** Rob Craig, 2019-03-05 American International Pictures was in many ways the missing link between big budget Hollywood studios, poverty row B movie factories, and low rent exploitation movie distributors. AIP first targeted teen audiences with science fiction, horror, and fantasy, but soon grew to encompass many genres and demographics. At times it was indistinguishable from many of the major studios. From *Abbey Road* to *Zontar*, this filmography lists more than 800 feature films, television series, and TV specials by AIP and its partners and subsidiaries. Special attention is given to American International Television, the TV arm of AIP, and an appendix lists the complete AITV catalog. The author also discusses films produced by founders James H. Nicholson and Samuel Z. Arkoff after they left the company.
