Deacon Training in the Black Baptist Church Eric A. Mayes,1990 Deacon Training in the Black Church Eric A. Mayes,1991-08-01 **Deaconess Training Manual** Larry A. Brookins,2011-09-14 This is a training manual and workbook to be used in preparing women in the church for the work of a Deaconess **Deacon Training** Kate Ward-Turner,2008-05

Indifference toward deacon development places the church in a precarious state By and large congregations stand to be weakened by deacons who have not discovered the exciting possibilities of the office When pastor and congregation disregard the need to have trained deacons the office is allowed to recede into one of mere honor rather than service established in Christ On the other hand trained deacons or those in training discover exciting opportunities with which the office of deacons is filled They come to perceive the office as one of service rather than honor The church is strengthened exceedingly by their effective and efficient leadership under the sight of the pastor Unquestionable God is looking for a special breed of deacons a New Testament breed who are Spirit filled and qualified To say that deacons are qualified is to say also that they are trained for the work of deacons *Women Deacons and Deaconesses* Charles W. Deweese,2005 Divided opinion on the topic of this book has caused controversy in Baptist history and life Most Baptist individuals and churches have strongly opposed women deacons Some Baptist associations have even disfellowshipped churches that have approved women deacons And women in general have been suppressed by many recent actions of the Southern Baptist Convention thereby affecting women deacons However thousands of Baptist churches include women in their deacon bodies and find that they make invaluable contributions The book presents arguments on both sides of the topic but lands squarely in support of women deacons The Handy African American History Answer Book Jessie Carney Smith,2014-01-01 Celebrating the impact of African Americans on U S society culture and history Traces African American history through four centuries of profound changes and amazing accomplishments Walking readers through a rich but often overlooked part of American history The Handy African American History Answer Book addresses the people times and events that influenced and changed African American history An overview of major biographical figures and history making events is followed by a deeper look at the development in the arts entertainment business civil rights music government journalism religion science sports and more Covering a broad range of the African American experience showcasing interesting insights and facts this helpful reference answers 700 commonly asked questions including What is the significance of the Apollo Theater What were the effects of the Great Depression on black artists Who were some of America s early free black entrepreneurs What is the historical role of the barbershop in the African American community and What was Black Wall Street What does 40 acres and a mule mean What was the Black Arts Movement Who were the Harlem Hellfighters Who was the first black saint Who was called the Father of Blood Plasma What caused African Americans to lose their fidelity to the Party of Lincoln What was the impact of Negro Leagues Baseball on American culture Blending trivia with historical review in an engaging question and
