Black Youth in Crisis (Routledge Revivals) E. Cashmore, B. Troyna, 2013-10-08 First published in 1982 this book considers the position of young Afro Caribbean people in Britain in the 1980s It looks at how at the time this group of young people were disproportionately hit by growing unemployment seemed to be over represented in crime statistics and were often disadvantaged at school The authors of the book analyse the struggles of the time and look at the reasons for their existence Black Youth in Crisis Ernest Cashmore, Barry Troyna, 1982-01-01 The Oxford Handbook of Migration Crises Cecilia Menjivar, Marie Ruiz, Immanuel Ness, 2019 The Oxford Handbook of Migration Crises focuses on two interrelated aspects of migration crises the contexts that give rise to such crises and the role of the media and public officials in framing migratory flows as crises It critically examines what crises are where they arise and how this concept is used in scholarship and policy

Remix and Life Hack in Hip Hop Michael B. MacDonald, 2016-07-15 Many hiphoppas labour to sustain HipHop Culture in their communities far from the big stages world tours and hit singles enjoyed by a shockingly few American hiphoppas The creative labour of these few mega stars is calculated in billions of dollars But for most hiphoppas their creative labour may never get expressed in economic terms Instead it is expressed in social capital the production of collective and individual subjectivities the bonds of love that build and hold communities together and the healing of broken hearts broken homes and broken neighborhoods in broken cities HipHop Culture is NOT a music genre it is MUCH more and exploring how the sharing of aesthetic resources builds community and how situated learning plays a necessary role in cultural sustainability draws out questions that may lead to a model of community located cultural education and a starting point for a critical pedagogy of music I ain t going to front academics talking about hip-hop scares me and often pisses me off I m protective about this culture like it s my own baby because it s meant so much to me and my close friends In my less angry moments I do appreciate the fact that this culture still has so much to give to the rest of the world and that the next level is what we give back Well we need allies in this complex world to move things forward As I ve gotten to know Michael I consider him such an Ally and that his intent is firmly squared in empowering cats in the front lines I also really dig the fact that he is committed to helping document the histories of those who laid the groundwork in the Edmonton scene This is the respectful place to start I look forward to bearing witness to Grass roots HipHop reclaiming its voice and being at the forefront with academics supporting their community efforts Stephen Buddha Leafloor Founder of the Canadian Floor Masters Founder of Blueprintforlife.ca Ashoka Fellow Social Worker and an aging bboy Dr Michael B MacDonald s research into Hip Hop s pedagogical ingenuity have not only led us to the grassroots of Hip Hop s rich and vibrant global culture but to the very Ethos of HipHop With bold examination this exciting research stands at the forefront of contemporary post colonial HipHop literature Andre Hamilton aka Dre Pharoh Executive Director Cipher5 HipHop Academy Temple of HipHop Canada Cultural Sociology Les Back, Andy Bennett, Laura Desfor Edles, Margaret Gibson, David Inglis, Ron Jacobs, Ian
