

Support for School Uniforms

A safe and disciplined learning environment is the first requirement of a good school. Young people who are safe and secure, who learn basic American values and the essentials of good citizenship, are better students. In response to growing levels of violence in our schools, many parents, teachers, and school officials have come to see school uniforms as one positive and creative way to reduce discipline problems and increase school safety. The adoption of school uniform policies can promote school safety, improved discipline, and enhance the learning environment.
