Inequalities in Brazil, China, India and South Africa The Role of Labour Market and Social Policies

OECD, 2010-10-21 This book focuses on the role of growth and employment/unemployment developments in explaining recent income inequality trends in Brazil, China, India and South Africa and discusses the roles played by labour market and social

policies in both shaping and addressing these inequalities **From School to Higher Education?** Michael Cosser, Jacques Du Toit, 2002 This substantive report is essential reading for those involved in higher education planning and policy making

Education for All South Africa. Department of Education, 2000 International Encyclopedia of Education, 2009-04-17

The field of education has experienced extraordinary technological, societal and institutional change in recent years making it one of the most fascinating yet complex fields of study in social science. Unequalled in its combination of authoritative

scholarship and comprehensive coverage, *International Encyclopedia of Education* Third Edition succeeds two highly

successful previous editions (1985, 1994) in aiming to encapsulate research in this vibrant field for the twenty-first century

reader. Under development for five years, this work encompasses over 1 000 articles across 24 individual areas of coverage

and is expected to become the dominant resource in the field. Education is a multidisciplinary and international field drawing

on a wide range of social sciences and humanities disciplines and this new edition comprehensively matches this diversity.

The diverse background and multidisciplinary subject coverage of the Editorial Board ensure a balanced and objective

academic framework with 1 500 contributors representing over 100 countries capturing a complete portrait of this evolving

field. A totally new work revamped with a wholly new editorial board structure and brand new list of meta-sections and

articles. Developed by an international panel of editors and authors drawn from senior academia. Web-enhanced with

supplementary multimedia audio and video files hotlinked to relevant references and sources for further study. Incorporates

ca. 1 350 articles with timely coverage of such topics as technology and learning, demography and social change, globalization

and adult learning to name a few. Offers two content delivery options: print and online, the latter of which provides anytime

anywhere access for multiple users and superior search functionality via ScienceDirect as well as multimedia content

including audio and video files **Risk and Opportunity** Jan H. Hofmeyr, 2008 Governance and the economy The labour

market Education and skills development Poverty and inequality **Reviews of National Policies for Education: South**

Africa 2008 OECD, 2008-09-05 Gives a brief overview of regional issues and the history of education in South Africa and

describes the development of education in the country over the past 15 years. It presents an analysis of the education system

identifying key directions for *Annual Performance Plan Mpumalanga (South Africa)*. Department of Education, 2016

African Schools as Enabling Spaces Vanessa Scherman, Linda Liebenberg, 2023-03-31 Using African schools as case studies this book presents an implementation framework that can be used by schools internationally to drive social change and support their role as enabling spaces allowing learners to thrive Recognising the increase in demands violent conflicts lack of stability and social strain prevalent within the current African school system this book covers the challenges that negatively impact children s development by understanding and presenting a framework that ensures a holistic social and educational support system can be created for students Featuring contributions from a broad range of leading scholars the book ultimately addresses the critical need in academic and practice research for the importance of schools in building civil societies Arguing for the importance of schools as places of stability social inclusivity and communities of care this book will have direct relevance to academics researchers and post graduate students in the field of education policy international and comparative education and character education Those working in school leadership management and administration environments will also benefit from this volume
