Der Seelenbrecher Psychothriller:

The Soul Breaker Sebastian Fitzek, 2011-11-11 International bestseller Sebastian Fitzek plunges readers into the depths of their own souls in a new high concept thriller The Soul Breaker destroys women He doesn't kill them or mutilate them But he leaves them completely dead inside paralyzed and catatonic His only trace a note left in their hands There are three known victims when suddenly the abductions stop The Soul Breaker has tired of his game it seems Meanwhile a man has been found in the snow outside an exclusive psychiatric clinic He has no recollection of who he is or why he is there Unable to match him to any of the police's missing people the nurses call him Casper Casper makes little progress regaining his memory but he grows restless and wants to leave the clinic to piece together the few clues to his life But the weather has taken a turn for the worse and the clinic becomes completely cut off to the world outside No one is able to reach the clinic and its staff and patients cannot leave So when the head psychiatrist is found trembling naked and distraught with a slip of paper clasped in her hands it seems somehow the Soul Breaker has returned **Der Seelenbrecher** Sebastian Fitzek, 2014
