*Under the Desert Stars: A Novel* Frank Koester, 2020-09-28 THE early spring sun was riding low in the heavens going westward to seek its rest. The haze of twilight was creeping in upon the city from across the bay and the canyon-like streets of lower New York were already steeped in shadow. Above the city rose the hum of industry and from the rivers the saucy whistles of tugboats with their heavy-laden barges were telling those who would listen that they too were doing their bit. But all this was lost to the girl standing at the promenade rail of the Queensborough Bridge, that massive structure spanning the East River linking Brooklyn with New York. The girl, beautiful to an extreme both in face and form, stood clutching the railing with a convulsive grip. Her eyes were set on something far in the distance and so far as the passersby were concerned she was in another world. Curious but hurried glances were aimed at her, but that was all New Yorkers are always in a hurry and a passing glance satisfies the questions that arise in the minds of most of them. Carl Lohman, however, was different. His profession had taught him to observe. So it was natural that he, noticing the strained attitude of the girl, should give more than a casual glance. Her handkerchief had fallen at her feet and he stooped down to restore it. His action elicited the slightest notice from her, so he ventured to remark, "I beg your pardon, Miss, but I believe this is yours." At this the girl slightly turned her head to see who had spoken to her. Carl noticed then the strange look in her eyes. The fixed stare in them seemed to be seeking something beyond the vision of mortal ken. What dream, what strange meditation had so rudely been broken into? Mechanically she took one hand from the rail and accepted the dainty square of lace which Carl extended to her. A bow so slight as to be scarcely perceptible was her only reply. This was but the outward show. Inwardly she felt relieved to some extent. A glance told her that this man, with his intellectual countenance and commanding presence, was no ordinary flirt. Then, without a word, she walked away. Carl, believing that the handkerchief had been dropped with a purpose and curious to know more about the fascinating girl, hurried to her side and endeavored to start a conversation.

**Desert Stars** Joe Vasicek, 2014-12-12 Honor, love, and destiny clash in an interstellar empire that has forgotten its holiest legend: the story of Earth. He is the sheikh's sole heir, a young man raised by desert tribesmen after falling from the stars. She is the sheikh's most beautiful daughter, promised his hand in marriage but only if she can convince him to stay. Together they must travel to a land where glass covers the sky and men traverse the stars as easily as tribesmen cross the desert. At the ancient temple dedicated to the memory of Earth, they hope to find the answers that will lead them home. But the call of the stars soon threatens to bring their budding romance to an end.
