Hooyman, H. Asuman Kiyak, 2001-08 **God's Plan for the Ages, 2nd Edition** David Reagan, 2020-08-02 What is the destiny of planet earth What is going to be the fate of mankind We don't have to guess The Bible spells out God's plan for the ages in great detail through prophecies given thousands of years ago In this book Dr David Reagan presents a panoramic survey of the fundamentals of Bible prophecy with a focus on the prophecies that relate to the end times In the process he reveals God's plan for the redemption of mankind and the restoration of the creation The book is written in a down to earth easy to understand style Although all the chapters relate to the overall theme each chapter is designed to stand alone This makes it possible for you either to read the book straight through or to skip around reading only those chapters whose topics appeal to you *CLU Study Guide, 1978-79* Solomon S.
